Hey killer Sam,
son of Zeus, take it easy this summer. See you next school year.
your friend
Dear Sam,
Good luck with Mitzi.
You two make a good couple. Have a real summer. Love, Jodi

Dear Sam,
I'm glad I got to know you this year you're a really nice guy — maybe a little smart-aleck but.. Nobody's perfect. Have a great summer good luck with your gal.
Love
Margaret

SAM
Have A great Summer
and see you next year

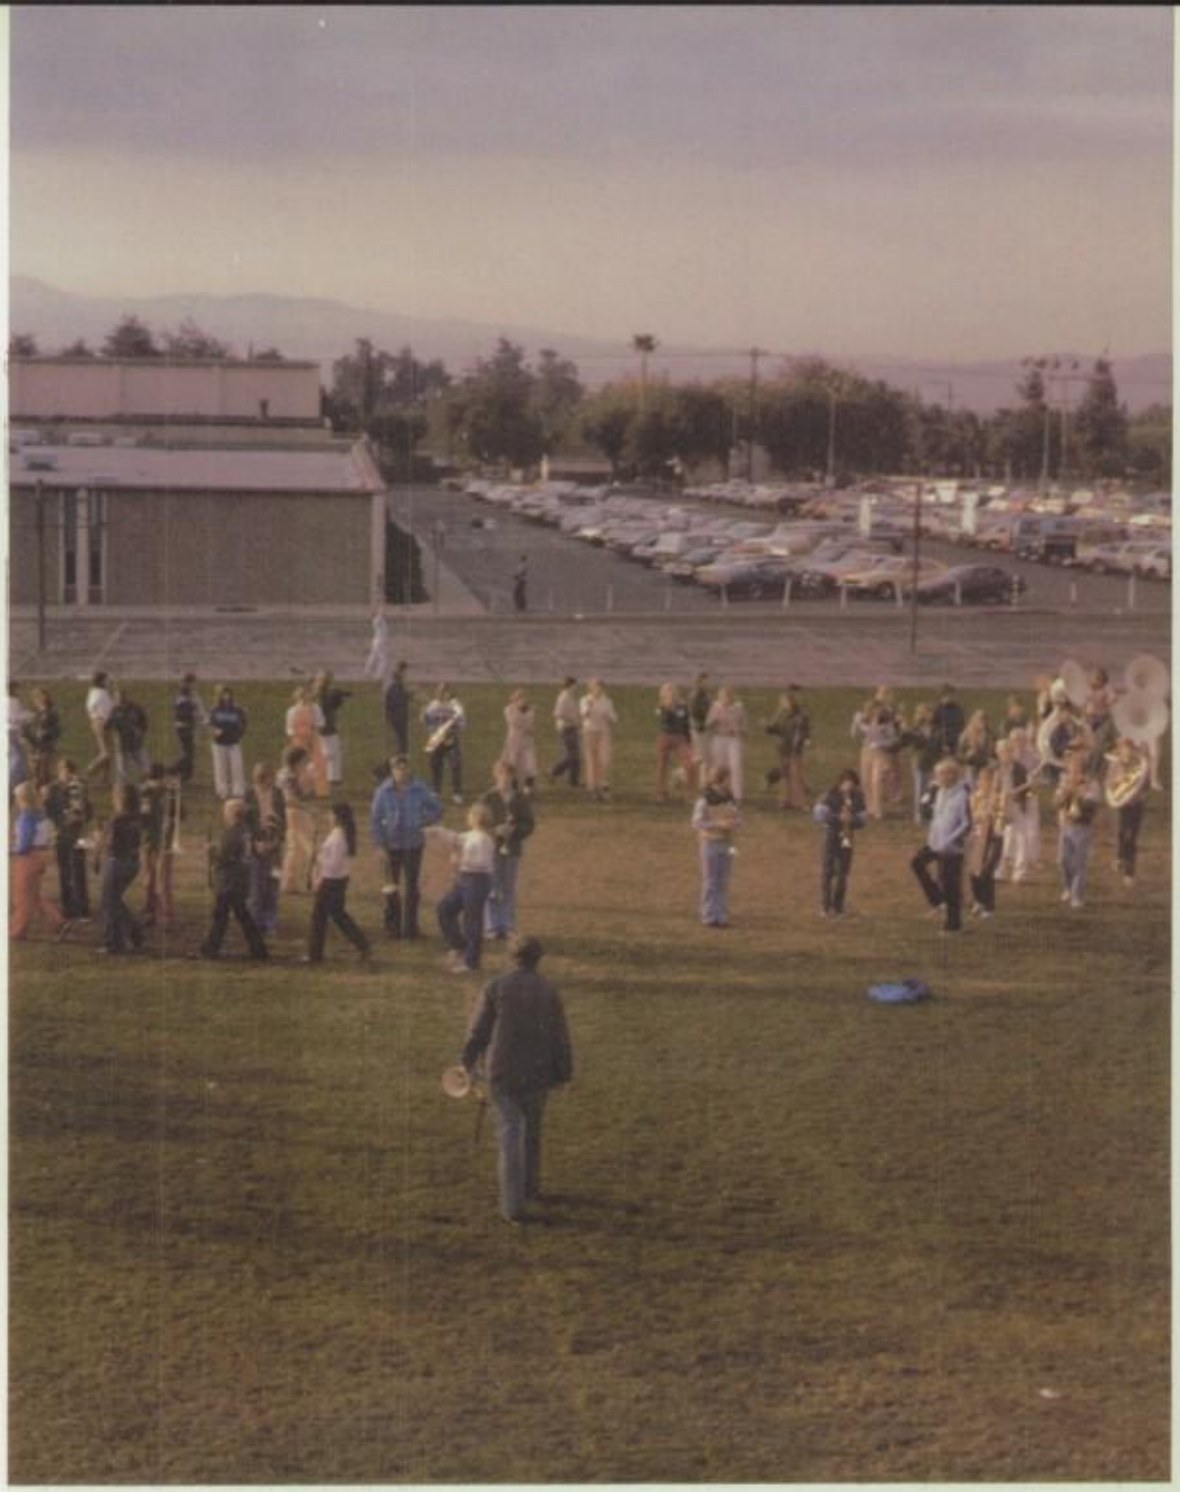
Pre-View

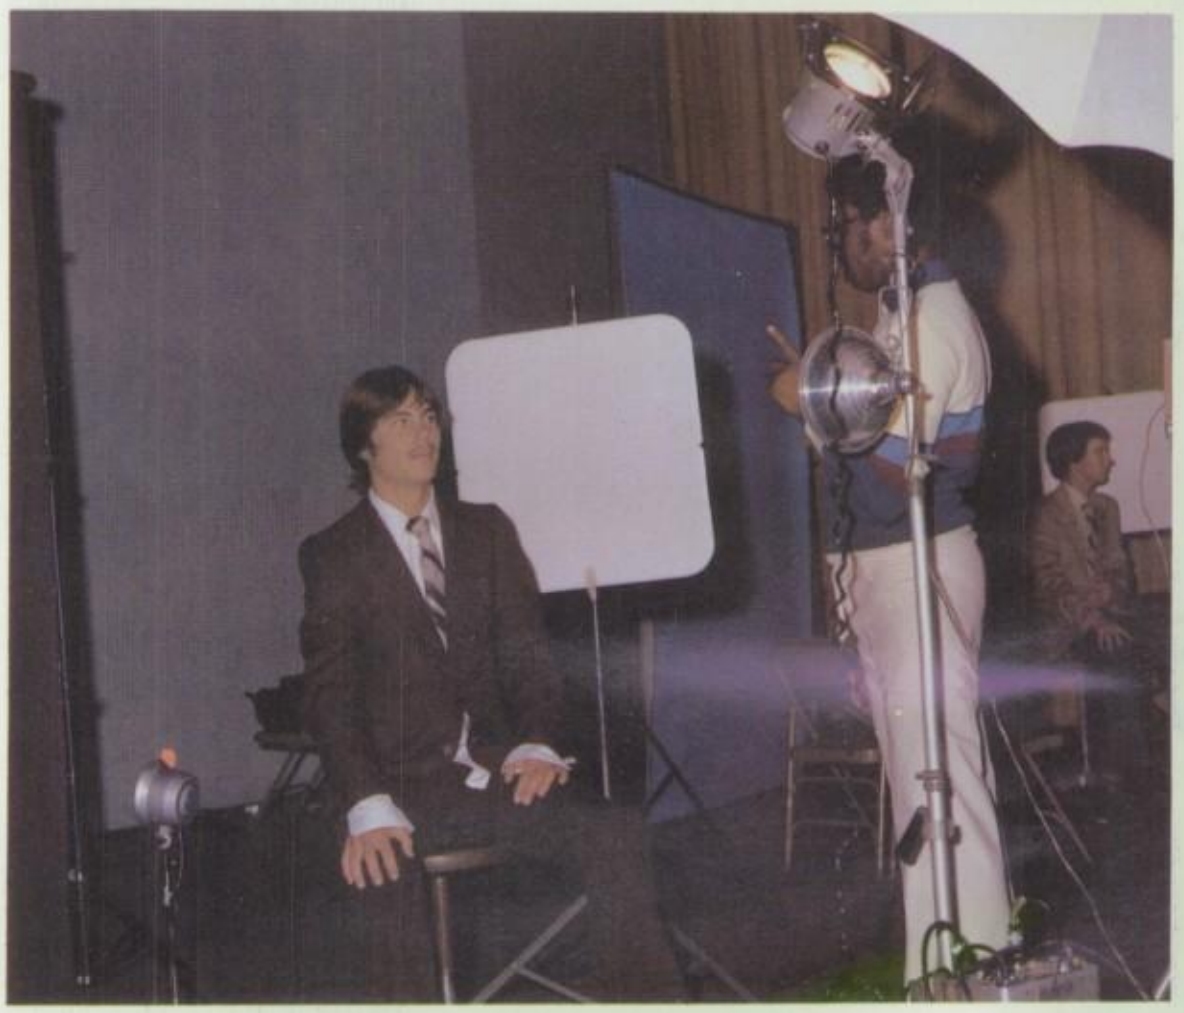
Many students tried to soak up the sun before Monday, September fifteenth arrived; yet some found themselves looking forward to that inevitable date.

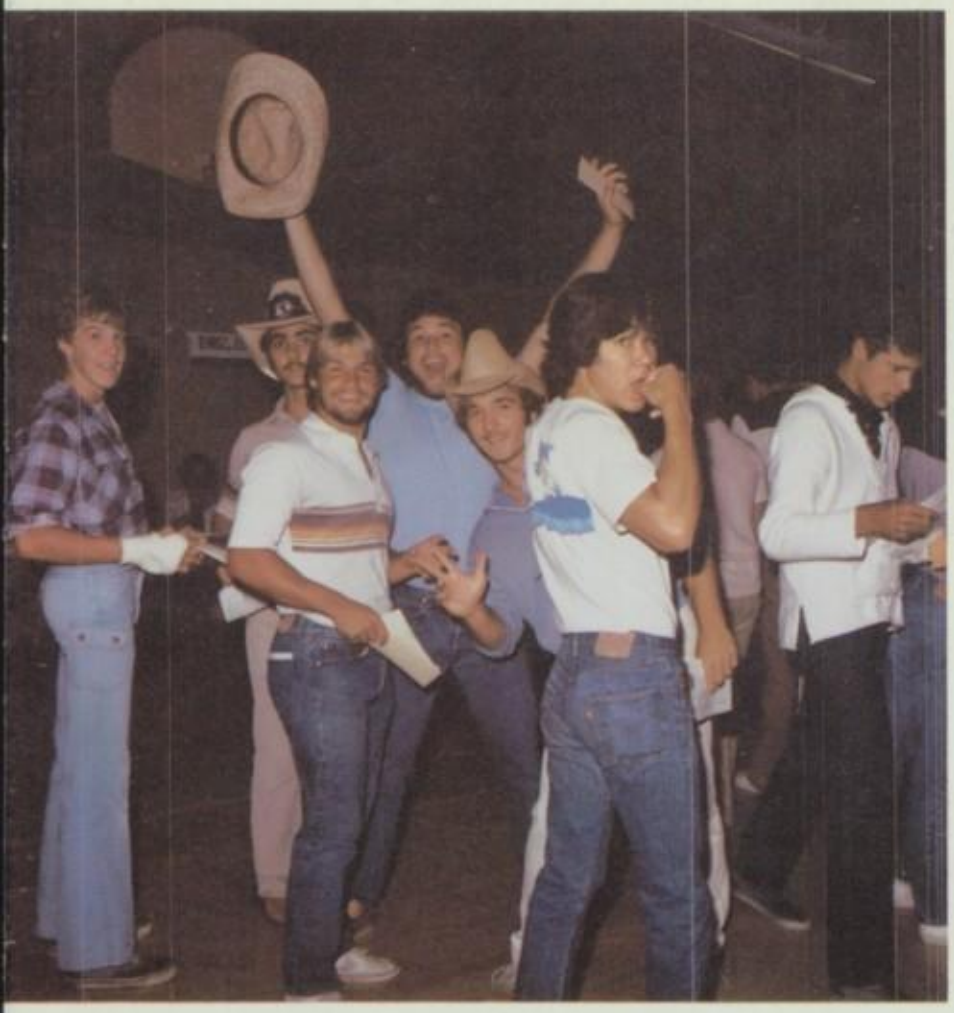
As summer came to an end, many seniors decided to get senior portraits out of the way early. The long, air conditioned trailer for photo sessions was parked east of the cafeteria for the seniors convenience. One hard working organization was the marching band. Members drilled and trained from all hours before the regular school year started. Auxiliary units too, labored hard during this time to get their routines down pat.

Have you ever run from the art department to the English department in sixty seconds flat? Many students had the opportunity during registration, which took place on September tenth and eleventh, two weeks before school commenced. Mass confusion as too many cars tried to crowd into the parking lot and students tried to corner their counselors for last-minute class or locker changes. Bewildered freshmen wandered everywhere asking for directions.

The Homecoming court was kidnapped during Homecoming week. They attended school in their pajamas and were made to pose for incriminating pictures. All this was just a pre-view . . .







Hey Sam
Always been cool
Even though were going
to ILLS my it may ways.
We're going to have to PARTY
together now + in years to
come. Hang Loose Sam
Steve Hutchinson

Slammin' Sam,
Slammin' Sam, he's our man! Let's have a Hoodlem jam! Well let's look foreward to our senior year and not look back ok! Let's also do some heavy partying this summer!

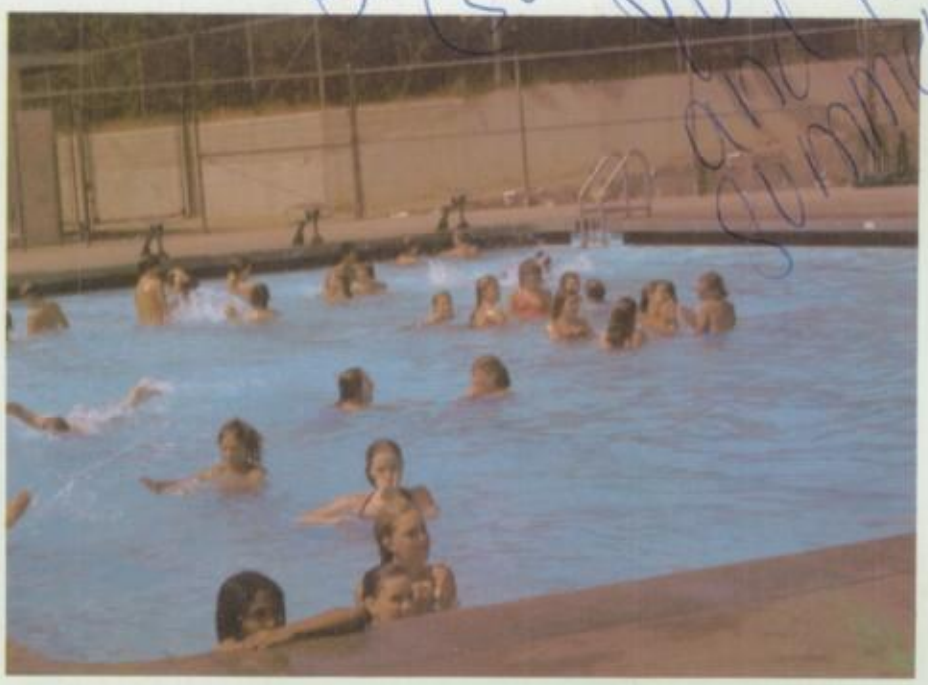
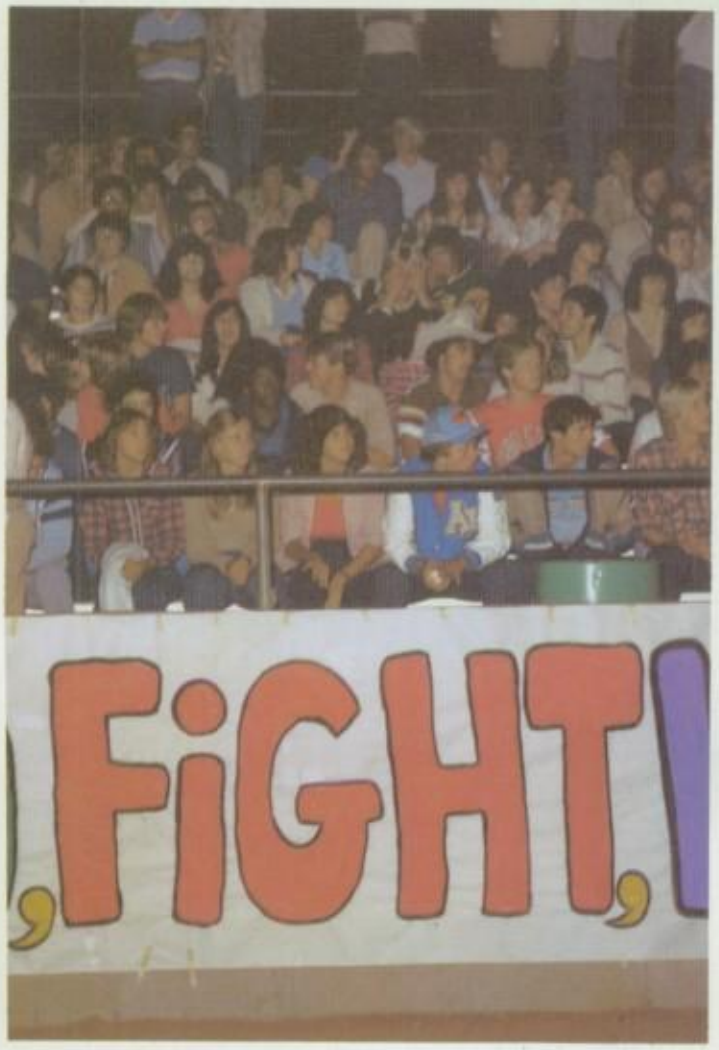
Hey Sammy
You're a babe!
Yet Mitzi know
She's very lucky!
(So are you guys)
Don't take care-
and have a
Summer. Get Naughty!





Traditional View

The start of each new school year brings the continuation of traditions. From freshmen trashings to Homecoming or registration to graduation, the spirit and pride grew as strong as ever in the nineteen eighty-one year.

The freshmen were lucky. Although they were required to take swimming during the fall, the summer sun lingered into the school year to warm up the pool. In past years the weather was always cold which made freshmen hesitate to enter the chilly water.

Spirit has always been a tradition at Upland High School. The spirit was sky high as Upland celebrated its twenty-sixth anniversary. Bigger and more colorful tunnels were made for the football team to run through. A lively, new scotty dog was added to the pep squad. Monica Cross, comic mascot, was seen parading back and forth attracting a crowd of rowdy rooters. This all added to our traditional view.

Sam,
I am so glad that Denise introduced me cause you are sweet and I know that way to really super cute and take care of self. Don't stay and fight!
Love "82"

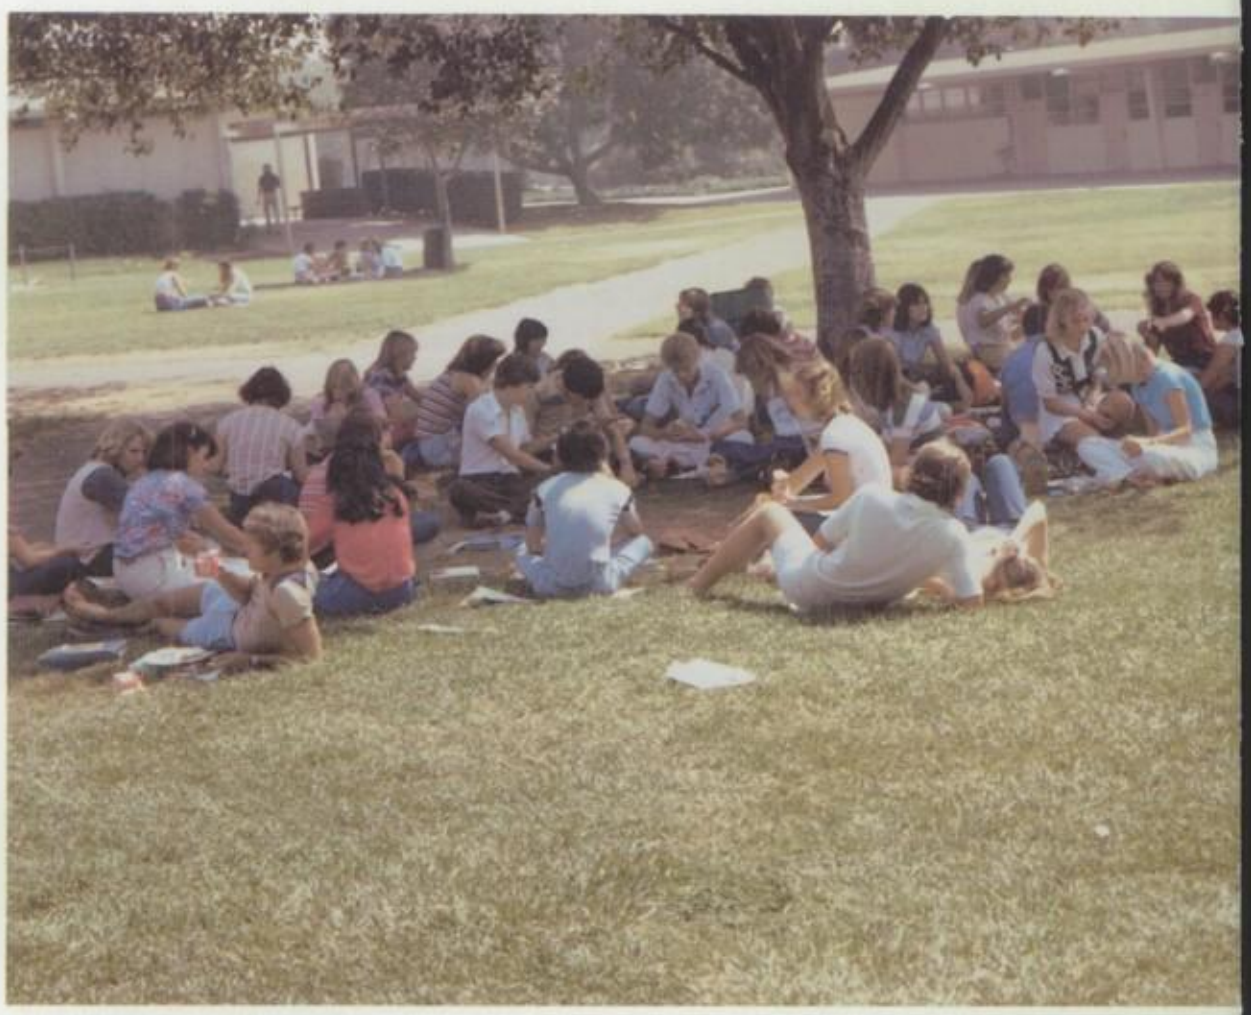
Quiet View



There are quiet moments in a busy day at school. During lunch, many people would sit on the lawn either studying or talking to friends. Large groups were common. Often there were people who needed to be alone. They would stretch out on the grass and enjoy their solitude — even catch a few winks.

Sitting quietly, relaxing, and just plain thinking was spotted at noisy rallies. Anywhere and at anytime, students were viewed enjoying a mood of quietness.

We view ourselves in many ways. Views are opinions that we all hold. They can reflect fact or fancy; provoke laughter and joy; tears and sadness; exhilaration and disappointment. Views are there to be shared, and all our views count.

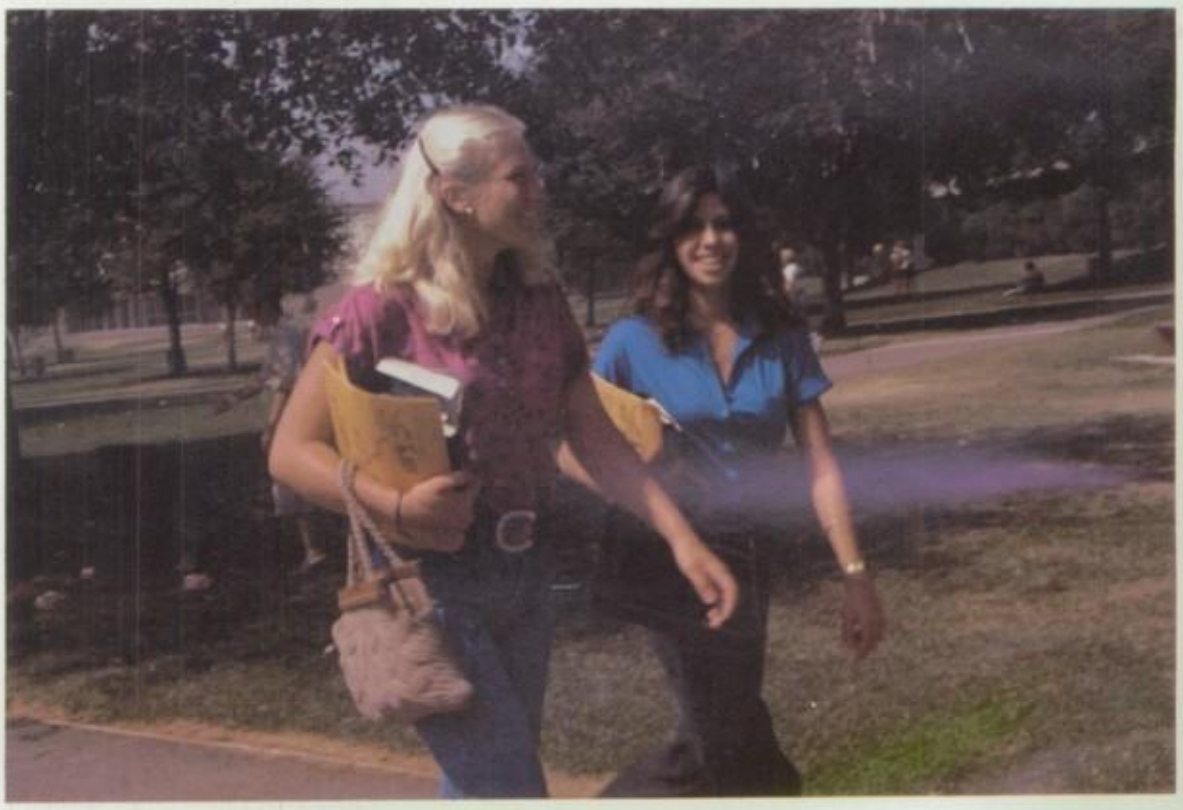
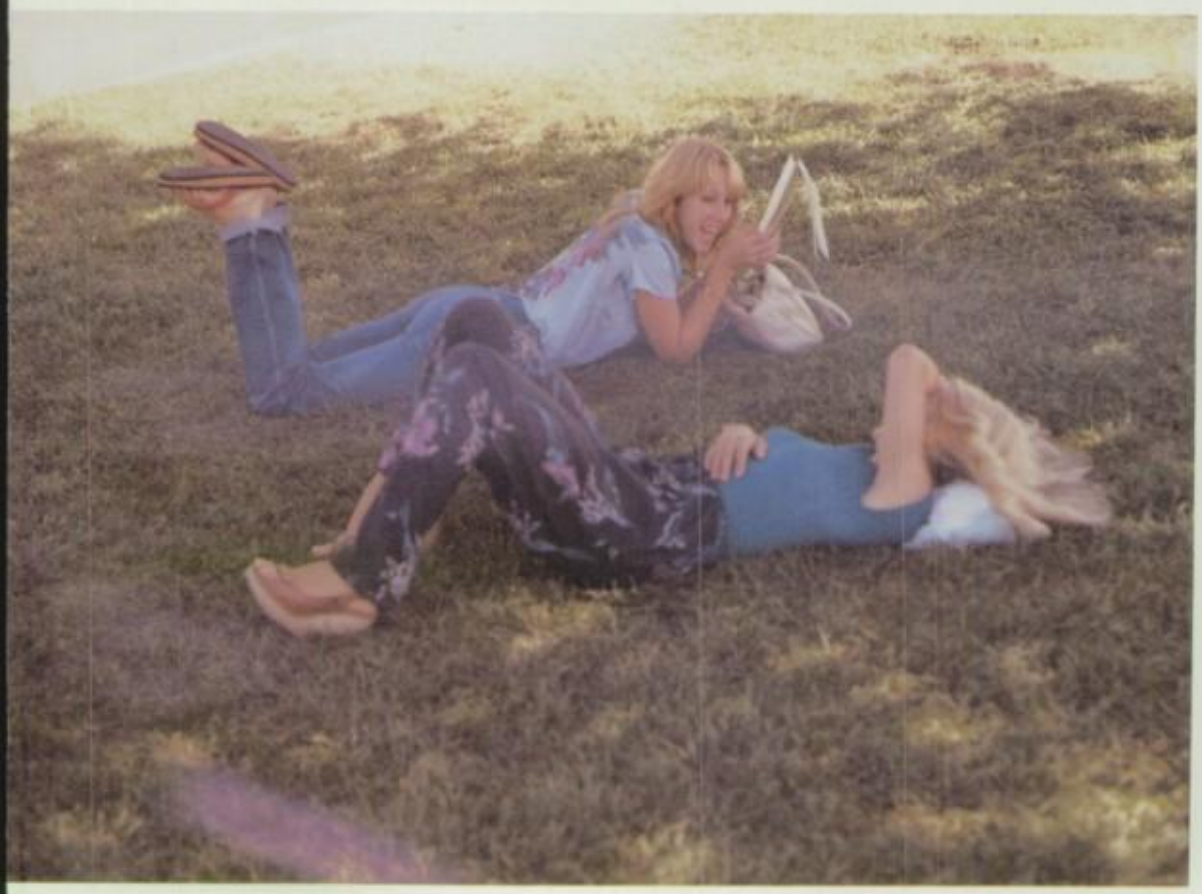
Campus View

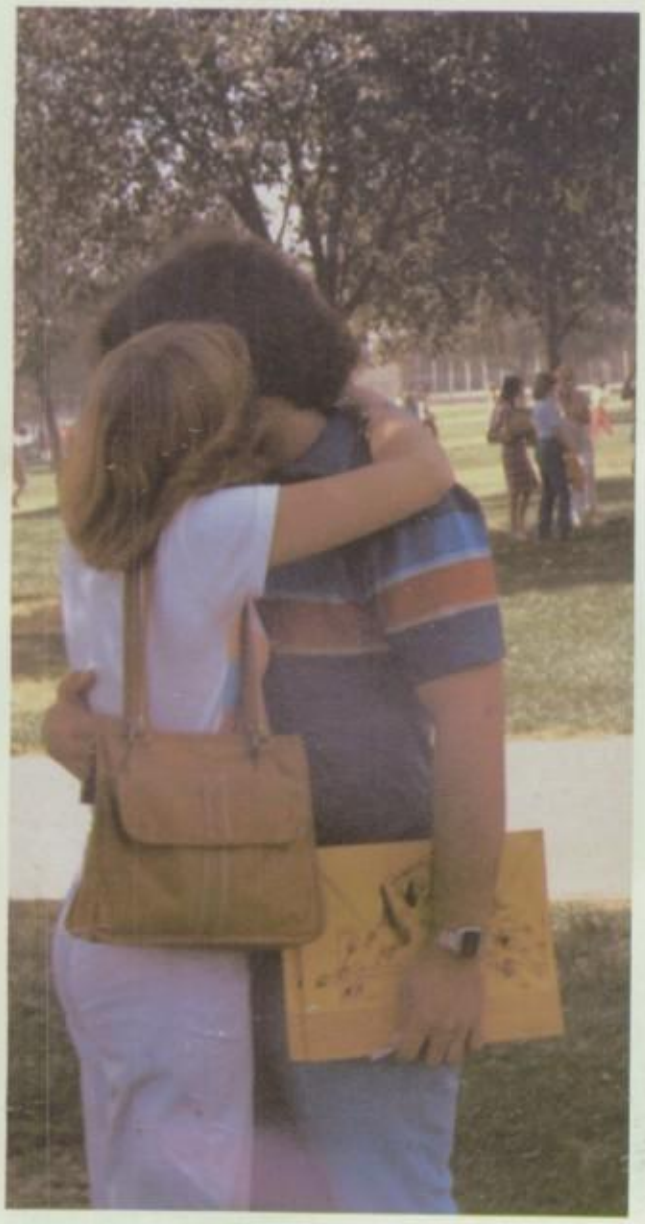
Sam, Although we have been some times that we had some disagreement with the friends we like, I still like you alot! I think your really sweet. I remember you when your were a "Freddy"! Have a great summer. Hope to see you at some Parties! Love, Terrie Davis 81'

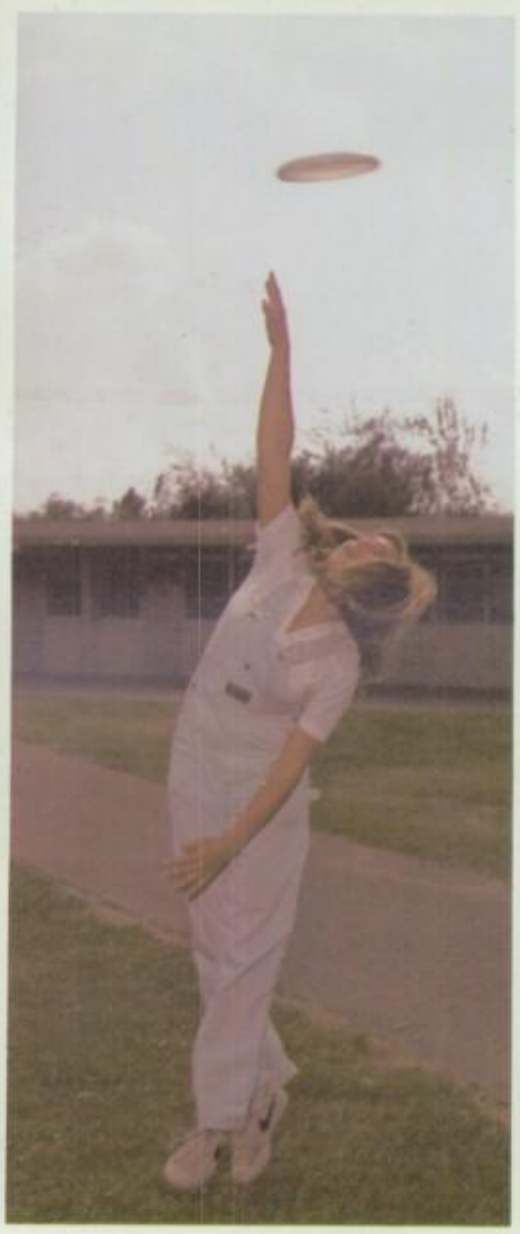


Our campus is the place where we spend most of our time. Whether we are walking to class with a friend, eating lunch, or just taking it easy in the shade, our campus is always there. When looking around the campus we see so many faces and bodies that we lose sight of the campus itself. Nonetheless, after the scurrying students have vanished into their classrooms, the campus is there; silent, waiting for the next bell, to be crowded with people once again.



Candid View





Candid View

We see many candid views when we walk around campus, some more candid than others, but with the aid of our camera, we catch these views and capture their memories forever.

Sam, you're a really great cousin and really cool. We really never see each other but maybe sometime we could go on a double date or something. Have a great summer and maybe I'll see you sometime.

Luv your great cuz,
Alicia

I don't believe I finally made it! In a few minutes they'll call my name and I'll go up to recieve my diploma. You know, this is the moment all my friends and I have talked about for the past four years. It seems like just last year we were freshmen entering Upland High for the first time. Now, I'm a graduating senior. I even passed Civics. No more Friday night football games or parties, no more dances in the gym. All that is left behind are fond memories. As I leave UHS, I want my parents to be proud of me, I want them to know that I have my own views and I'm looking forward to the future. As I look at all my classmates I realize tonight is not the end, but only the beginning . . .

DEAR OL' DAD

Marie Bernardt, Wendy Evans, Mr. Meza, and Sherri Evans made this evening with dad possible.

Marie Bernardt, and other members of Girls' League, make sure every detail is perfect before the guests arrive.

These fathers participated by making paper hats for one of the games.

Girls' League held its annual Father/Daughter Banquet, on October 14, 1980. The theme was "Dear ol' Dad."

A number of fathers and their daughters took part in the various activities. A few of the games were "Know Your Own Daughter", "Look-A-Like Contest", plus a "Hat Contest" and parade.

The guest speaker was Sgt. Curry from the San Bernardino Sheriff's Department. His topic was "How to keep yourself safe." The girls and their dads were awed by his speech.

The "Father of the Year" award was presented to Jill Rasmussen's dad, Dr. Rasmussen. Every year, an award is given for the best essay. Girls are encouraged to write about their fathers. The award is presented at the Father/Daughter Banquet.

SPIRIT WEEK

Upland's own "Urban Cowboys" gather for a Western day hoe-down.

"Rowdy in the front!", and that is where they are, rooting for U.H.S.

Jodi Richardson portrays the "typical" tourist. "Excuse me, but, how do I get to . . ."

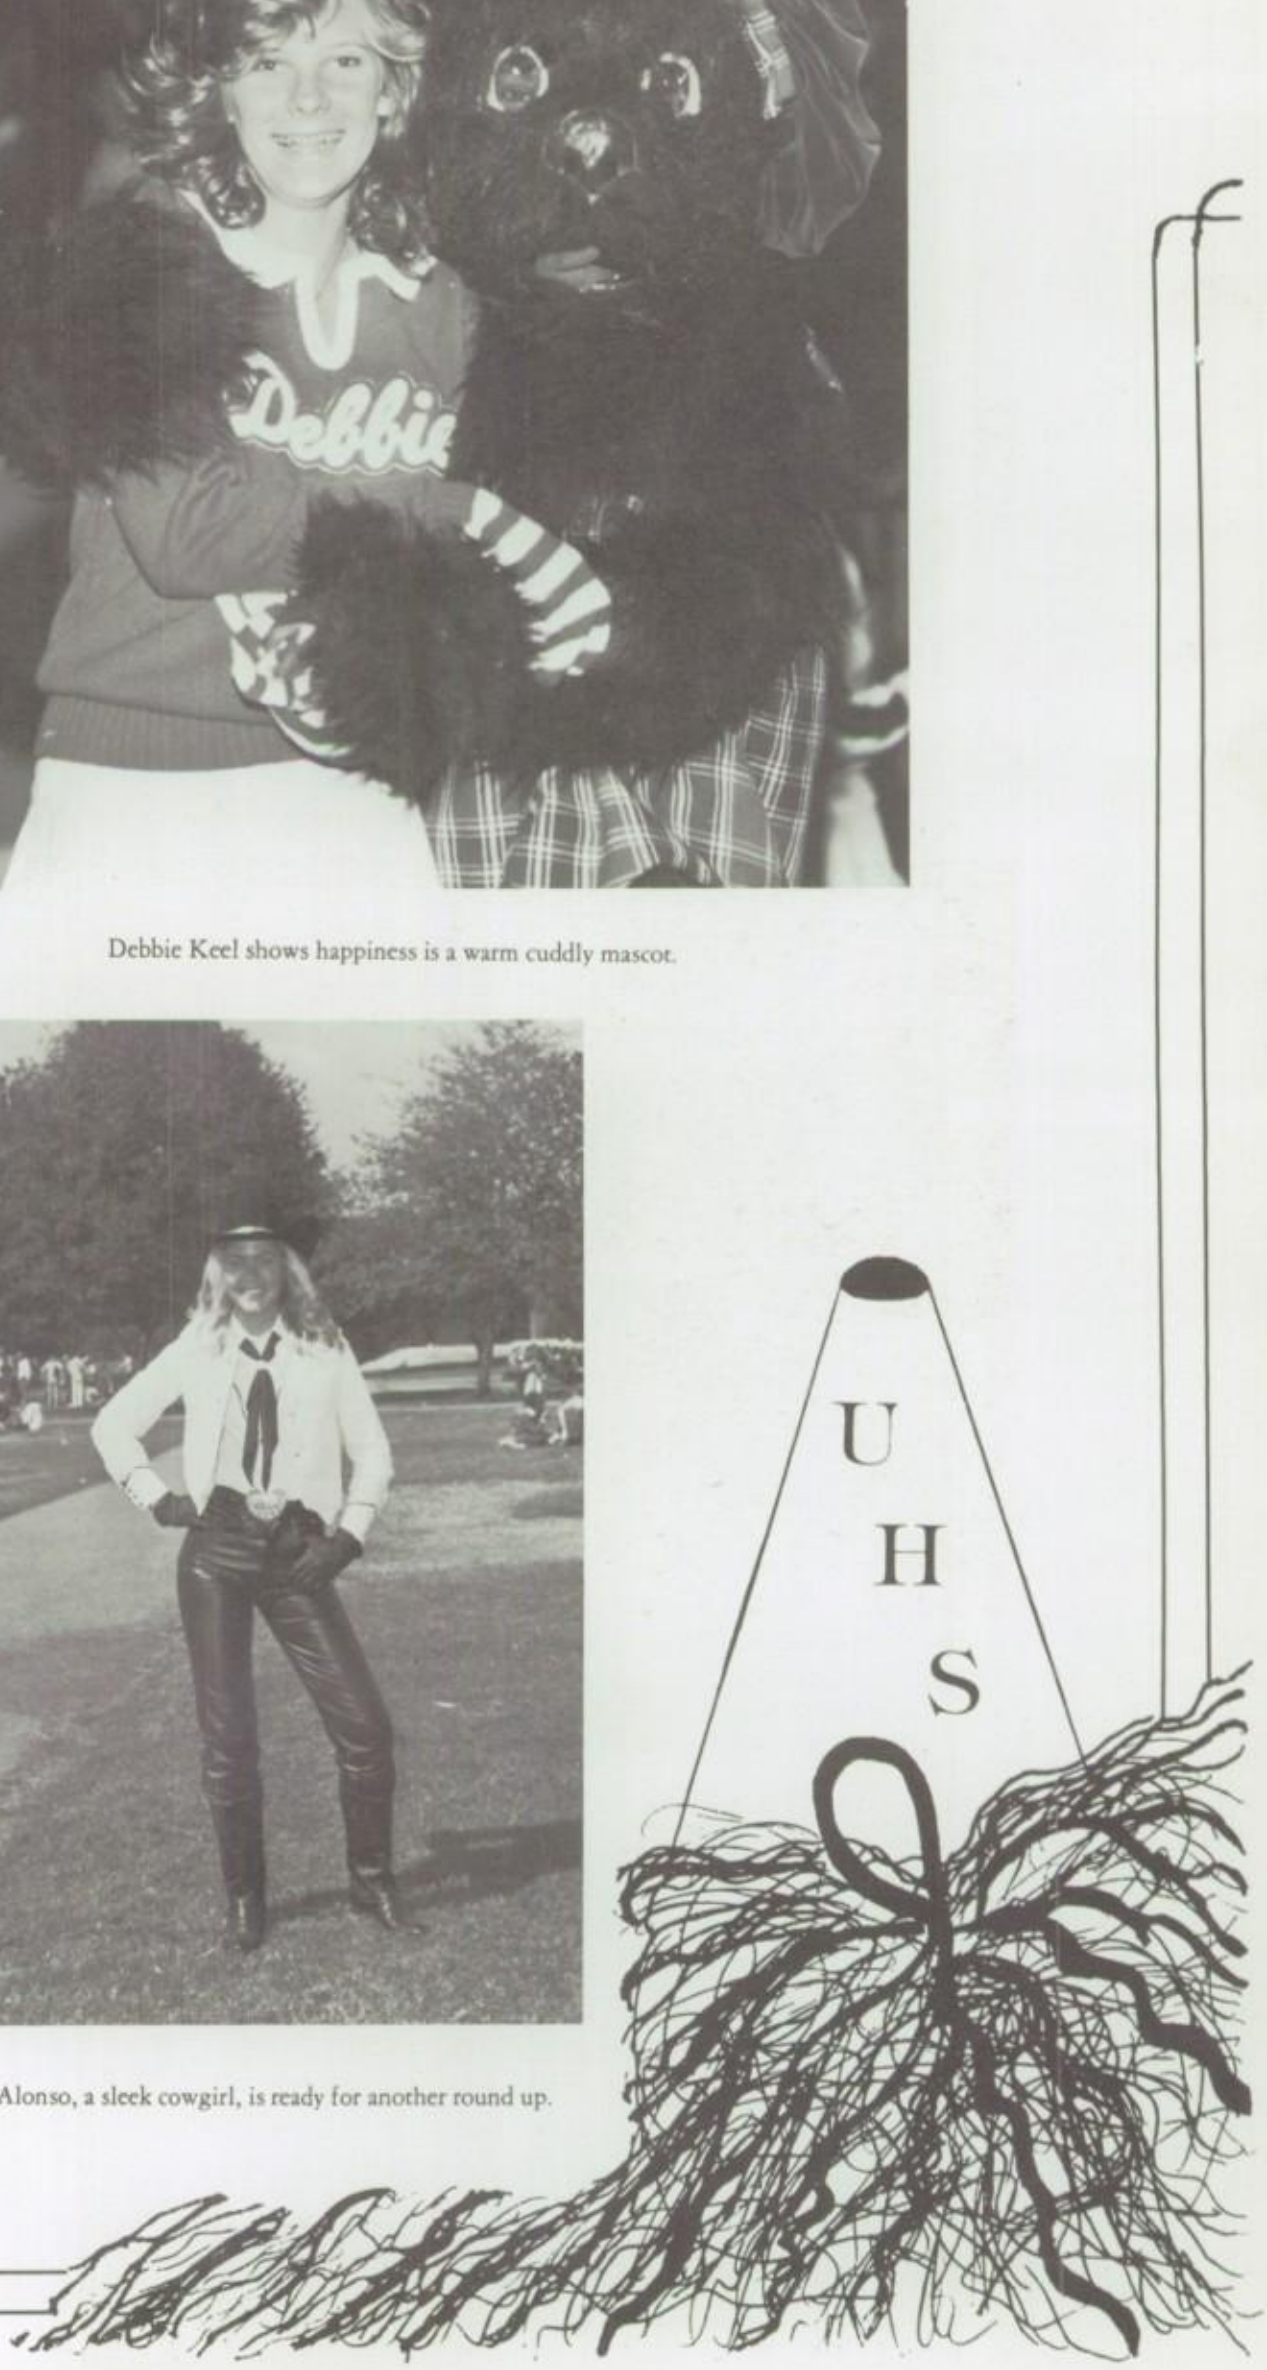
Spirit Week was from October 13th through the 17th. The five dress up days were beach, tourist, western, kids, and spirit. There were a good number of participants for every day's activities. The lunch time games were marvelous! Many students joined in on the fun and made the Homecoming mood exciting. On the 16th and 17th, elections were held and those who voted helped to select the new queen.

Jane Albert is in one of the most unique fashions during kids day.

Debbie Keel shows happiness is a warm cuddly mascot.

Paula Nelson is still a kid at heart!

Lisa Alonso, a sleek cowgirl, is ready for another round up.



With overwhelming enthusiasm and decorative ideas, it's no wonder the senior float won "Best Color."

The class of '82 has been known to be really spirited. They proved this when their float won "Most Spirit."

Homecoming is one of the biggest activities put on every year. The annual football game and dance are well attended. This year, the football game was held on October 17th. UHS played Ganesha unsuccessfully.

Every year, the senior, junior, sophomore, and freshmen classes, along with clubs, are encouraged to participate in making floats for the half time show.

For the first time, the floats were presented to all during the pre-game show. Prizes were awarded. Seniors won "Best Color," Juniors won "Most Spirit," and the URTT club won "Best Theme."

The crowning of the queen was presented during half time on the football field. In the past this ceremony was done on the track. Linda Ricks was crowned 1980 Homecoming Queen by Principal Jan Wright. The three Homecoming Chairmen were Betsy Pumerantz, Steve Anderson, and Debbie Diess.

The sophomore float shows much excitement, rolling down the track.

Susanne Prinz and Heidi Skvarna await the final decision.

HOMECOMING 1980

Monica Cross, the mascot, bows to the new queen.

Tina Interlicchia, 1979 Homecoming Queen, adorns Linda Ricks the 1980 Homecoming Queen, while the mascot looks on.

"Hey Linda Ricks, How do you keep warm?"

HOMECOMING

The whole school took part in Upland High's spirit. On the 16th and 17th of October, the elections for Homecoming Court were being held. All students got to elect the girl of their choice for queen. Linda Ricks was this year's 1980 Homecoming Queen. With her proud father standing next to her, Linda was especially ecstatic the evening of her crowning.

Heidi Skvarna shows us her booties.

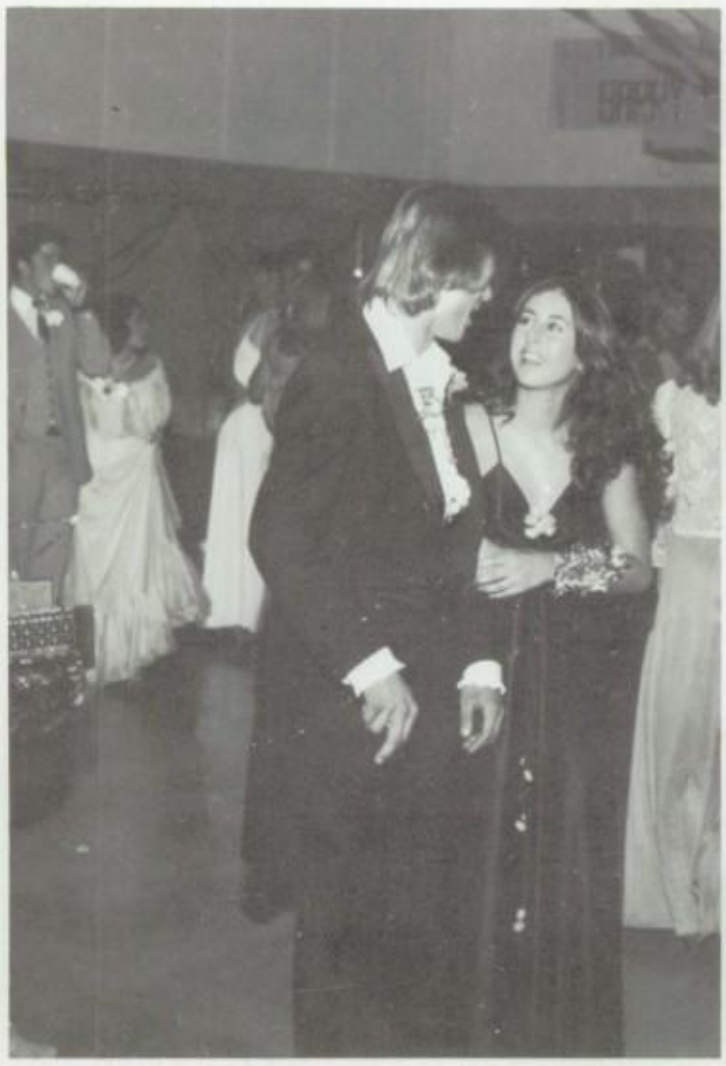
"Does everybody wear their P.J.'s to school in America?", asks Elisabeth Zall, from Sweden.

Scottie takes Monica Cross for a walk.

Susanne Prinz, was one of four Honorary Attendants to the Queen at the event. She nervously awaits her entrance.

"Thanks dad, for all your support" exclaimes Linda Ricks, the 1980 Homecoming Queen.

After Linda was crowned, her dad escorted her off the field.



Erica Miller and her date, enjoy their evening together.

The floor becomes crowded when the music begins.

The 1980 Homecoming Dance was held on October 18th, at the Chaffey College Student Center. "An Autumn Affair" was the theme. Music was by "Antioch."

More than 250 couples attended the dance. Everyone seemed to be aglow with the memory of the pageant from the night before.

Much time was spent on creating the colorful decorations. The colors of autumn were used and the mood of fall was expressed.

SAM, I'm not sure what I should say, but I guess I'll just say what I think! You are a really, really, really nice guy with a great body. I know you really do have good intentions, but I guess sometimes the not so good side takes hold of you and makes you do things you'll regret. You're the nicest guy I've ever met, because you don't think of yourself, and always willing to do things for other people. I'm really glad we got together because it is a lot of fun and I really like you A lot, sometimes you could call it love, but I didn't have any dissagreements. But we didn't have very many, though we are separating now for a while, I wish you would use your self dicipline, because I would die if you got hurt in some way, if you got drunk with your friends. I CARE for you too much for anything bad to happen to you. I get really choked up when I think about you, And how you might get hurt - "Fights - FAST driving" I really hope we will get together seeing each other, once in a while, more, you are really fun to be with. And I know we would have A better time if we limit it. Even though you might will have many other girl friends, I hope you'll remember me, because you're a part of me that I'll never leave. Stay out of deep trouble. →

SHIPWRECKED ON A JUNGLE ISLAND

"Just a step to the left, and jump to the right, put your hands on your hips, and your knees in tight . . ."

A group of enthusiastic shipwrecked islanders, gather for a fun-filled evening.

"Shipwrecked on a Desert Island" was the theme of the first backwards dance of the year. Held on November 15th, the dance was a fantasy to all. Chaffey College, was a popular place for a number of dances, including this backwards dance. Sponsored by Girls' League, the dance was enjoyed by all who attended.

The night was not only fun, but it was filled with romance!

Among the deserted crowd is Lisa Alonso, Cindy Stockstill, and their dates.

After dancing at a distance, closeness feels better.

Lisa Bergman and Phil Orr won "Best Costume."

"GUYS AND DOLLS"

When you see a guy
Reach for stars in the sky
You can bet that he's doin' it

Call it sad, call it funny,
but it's better than
Even money that the guy's only
doin' it for some doll!!

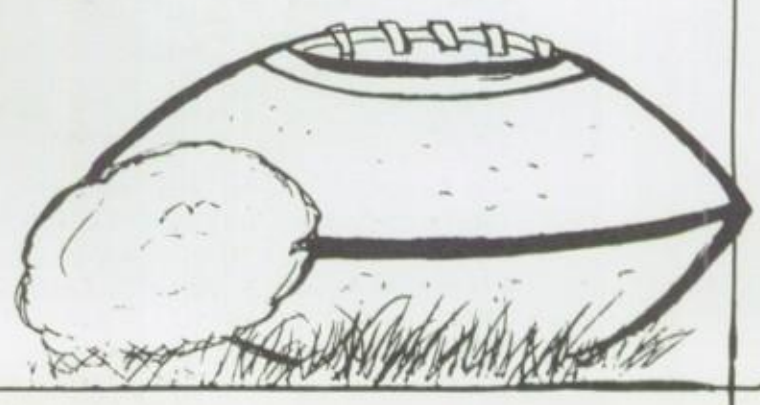
Go Fight Win!

The girls in action.

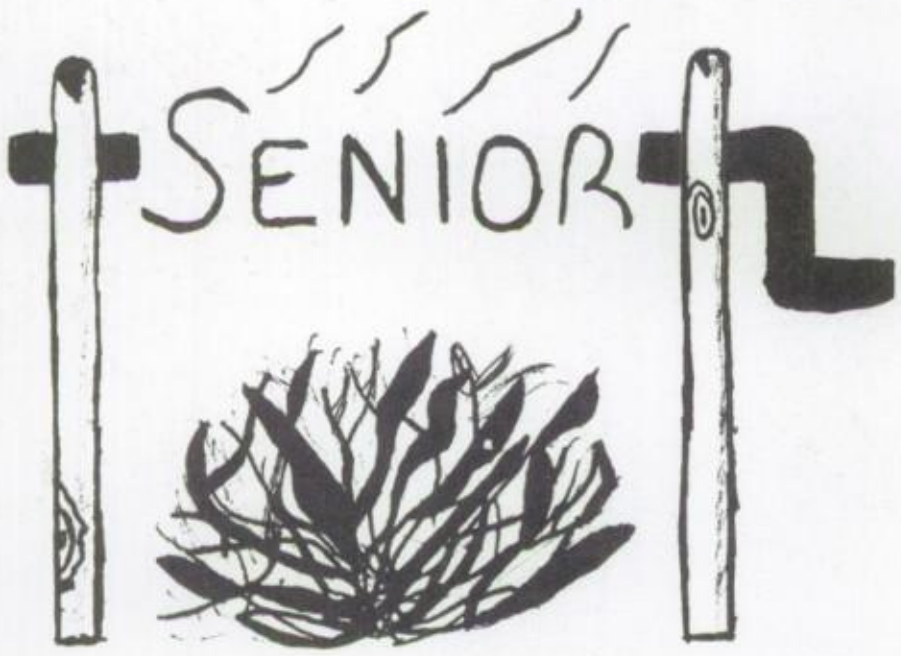


Cheerleaders and teammates gather for a few words before the game begins.

Dave Greene, Todd Allen, and John Hammond put a little nourishment into their bodies.

The Senior Bar-B-Q was held before the Powder Puff football game.

The PTSA Mothers prepared all of the food. "The Senior Bar-B-Que was exciting and spirited. Our cheerleaders were very sexy," stated Betsy Pumerantz, a Senior. The "Prankster" Juniors bombed the Bar-B-Que with water balloons, but it added to the entire spirit.



New plays are being thought out by these tough girls.

Dave Greene can't decide on his dinner selection.

The food was so good that the line seemed endless.

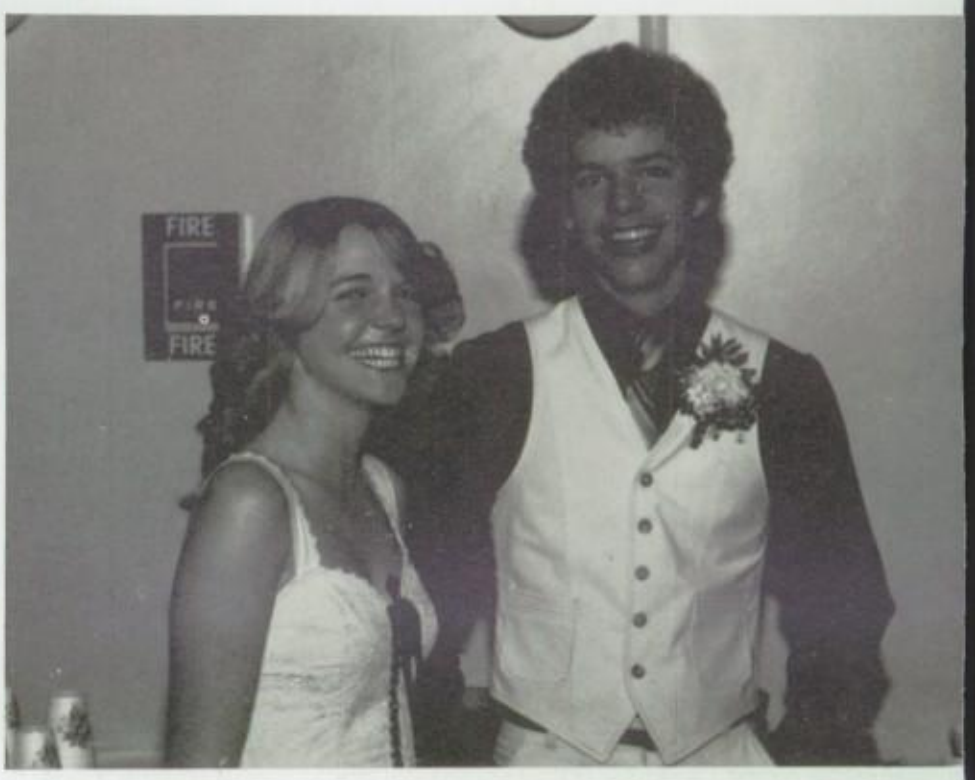
Looking over the game's strategy, are the renowned Senior girls.

BAR-B-Q

Tracy Berg and Troy Wood dance to the sounds of "Starfire."

Rodney Bowman sits out one dance for a few close moments with Amy Lapin.

Diana Blain has her heart set on more than dancing.



Racheal Miller, and escort Bob Hibbard stop to enjoy each other's company.

WINTER FANTASY

I warned you ahead of time that my dancing ability was limited.

Rick Bostock is a gentleman, as he pours punch for his date, Denise Southwell.

This year's Winter Dance was held on December 13, 1980. The theme was "Winter Fantasy." "Starfire" was the band. Their sounds were so great that it made the couples want to dance. The crowd was small, but they enjoyed a very pleasant evening in the Highlander cafeteria. The evening turned from a warm 70 degrees to a mild 65 degrees. Compared to the past months of summertime heat, the change was used as an advantage. So "Winter Fantasy" really did apply.

SPECIAL INTEREST CLASSES

ART

Art classes at Upland High consist of painting, ceramics, print making, and designing. New projects are always underway. Students are provided with the necessary equipment. The missing factors are imagination and creativity, this is the students responsibility.

Diane Perry and Wayne Reed paint a picture.

A ceramics student prepares a clay bowl.

Erica Miller starts spinning her clay.

Students create designs in their design class.

Ted Tapher uses the pottery wheel to make a porcelain mug.

Using watercolors, this student expresses different shapes.

Matt Havens checks over his print making project.

Mr. Andrews' painting class lets students work with colors.

ABERDEEN SQUARE

▲ During the time of construction work, the lunch tables were brought in front of the library steps.

▲ This danger zone is flagged off.

◀ The dug up quad looks desolate.
▼ A construction worker looks over the blue prints.

Construction is under way!

In 1976, an accreditation team came to evaluate Upland High School. They made recommendations for enhancing the look of the campus. One idea for change was that of creating an added lunch area that would seat several hundred students. This new addition would be located on Aberdeen Square, which is in front of the cafeteria. After five years of planning, the construction was started this year in February and was completed in May. The new lunch area is surrounded by a wall of bricks and the interior contains cement tables and chairs, new trash cans, and planters with trees that provide shade. The purpose of this facility is to benefit all the students at U.H.S. by providing them with a clean and attractive area to have lunch. This addition is for the whole school's use. The administration sincerely hopes that the new Aberdeen Square will be kept clean and presentable.

COOKING

Special Interest Classes

Cooking is one of the many courses offered at U.H.S. All students are encouraged to join. Cooking skills are taught and students are allowed to create a meal. The kitchen is fully equipped, and students said that they felt at home.

Michelle Boake and Dan Ebel take out their creative meal from the oven.

Paula Laney helps Kevin Faris take their muffins out of the pan.

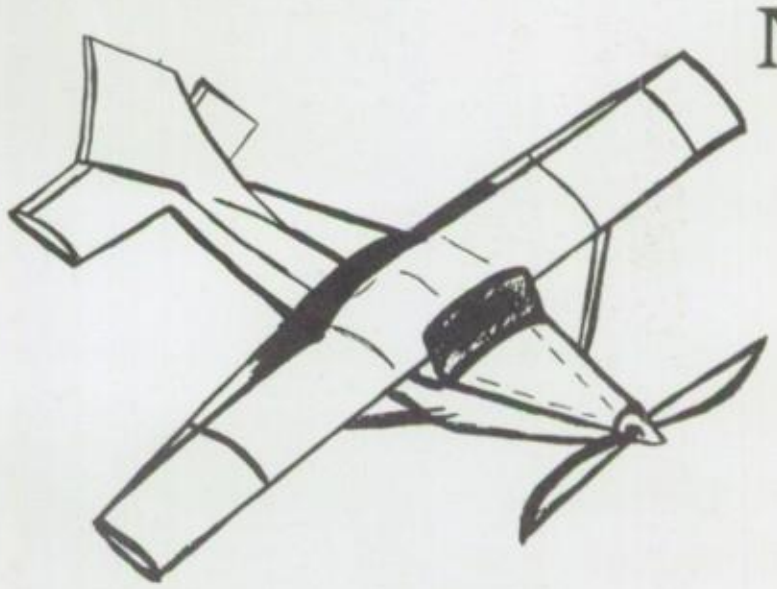
Phil Reese, Jack Kell, and James Partcher are happy homemakers.

Special Interest Classes

AVIATION

An aviation student controls the flight simulator.

Under the attentive eye of Mr. Turner, the aviation class has had a three-star year. Using the flight simulator, students were able to imagine themselves up in an airplane. Field trips to different air force bases were planned.



At Norton Air Force Base, students view an airplane.

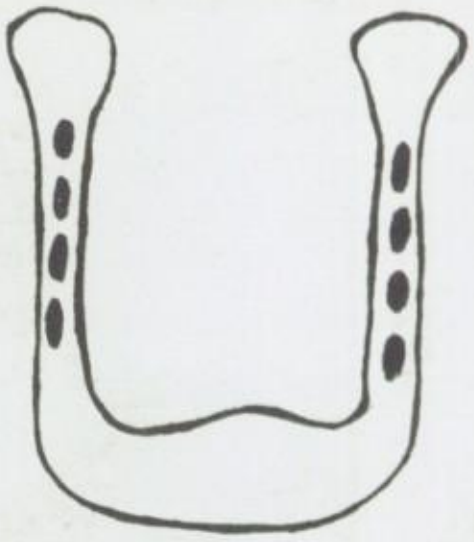
DONKEY BASKETBALL



The referee blows his whistle on Tom Comeau's right hook shot.

What goes up must come down!

The Upland Letterman Club took on the Upland Police Department in a game of Donkey Basketball, on January 14, 1981. The Upland team was coached by Paul "Pablo" Robertson. He was quoted as saying: "The varsity will take the mule home this year." For the first time in five years, the Letterman Club won with a score of 56-54. High scoring players were: Doug Robertson with 12 baskets, John Pina with 9 baskets, and Tom Comeau with 8 baskets. Good job Letterman!

SWEETHEARTS DANCE

Cliff Finley enjoyed attending the dance with his friends.

Cindy Howell and her boyfriend take a break from the dance floor.

At the Sweethearts' Dance, approximately 140 couples attended: Most of them dressed in red, pink, and white. One couple even wore pink tuxedos with tails and top hats. At first, most everyone was in the picture line, but very soon out on the dance floor. The band was "Thin Ice" and they played a variety of songs and instruments. The dance was held at Colony Park Community Building and the Sophomore Class, who sponsored the dance, had the building decorated in pink, red, and white with hearts everywhere! The favorite song at the dance was "Don't Stand So close to Me" by the Police, but couples didn't seem to want to abide by the title.

Everyone enjoyed dancing to the music of Thin Ice.

Hi mom! Rich Arnitz and Kim Burgy cuddle for the camera.

Paul Robinson may have the right idea, but his shirt says it all

Lisa Eickholt and Steve Willerth are ready to paint the town "pink" in there top hat and tails.

MODERN DANCE

Mrs. Powers, also known for her shop called "Backstage," has been teaching modern dance at Upland High for the last eight years. This year was a little different, for the first time she had two boys in her class. The guys really added another dimension by boosting the girls' morales. According to Byron Marks, "The class is really fun but the only thing that frightens me is that the girls expect us to wear leotards."

Between the two classes, there are seventy students. Both classes do warm-ups and skits. The only performance that modern dance performed was "The Twelve Days of Christmas." If you're thinking of getting into modern dance next year, there is one prerequisite, you have to sign a contract which states your intention is to attend the class.

Second period modern dance class warms up to the music while trying to keep in step.

Tracy Porter concentrates on getting her stance correct.

Now that's what I call putting your right foot forward.

▼ You can tell by the smiles on their faces that this class likes to boogie.

Sam,
You're a really nice guy. I would like to party with sometime. Party out this summer, but stay out of trouble. Hope I see you next year.
Later.

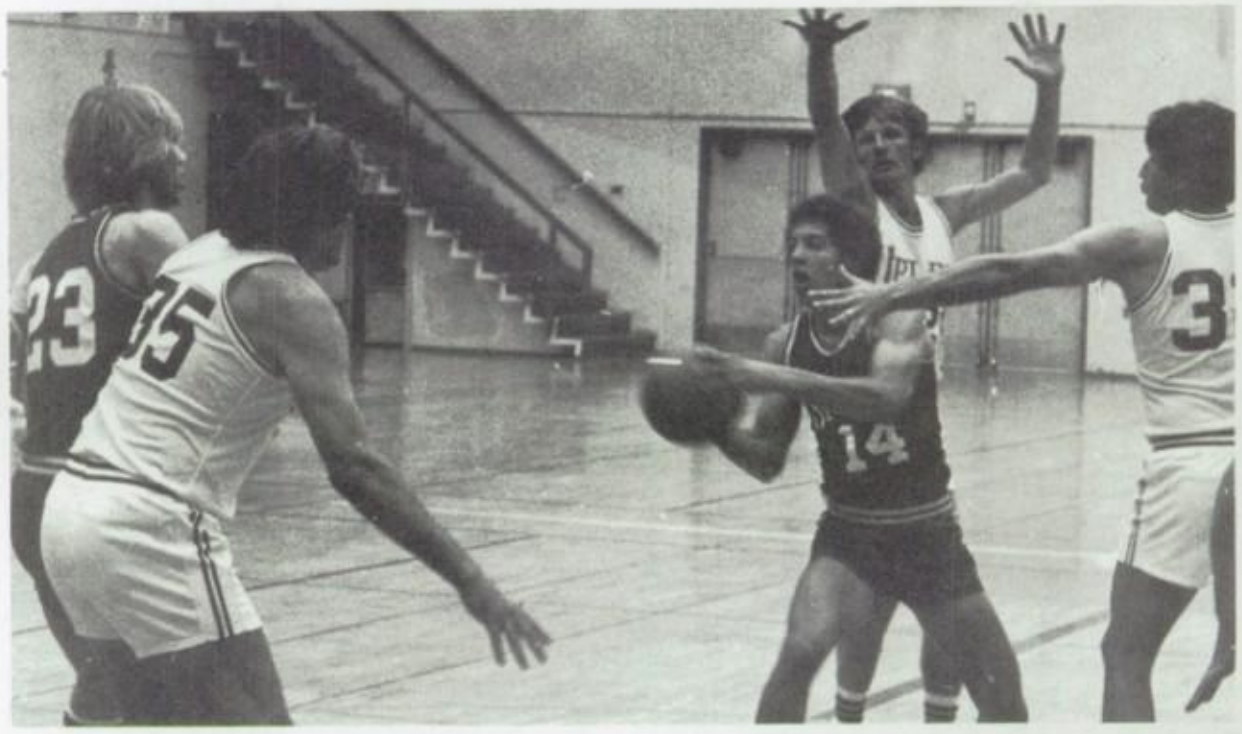
Faculty vs. Student Basketball Game

The class of '82 did something different to earn money for the Jr/Sr Prom. In February they held the first Annual Upland Faculty vs students basketball game. Coaching the faculty team was the ever popular "Pablo" Robertson. Steve Mullins, Craig Cramer and Tim Zibell took on the task of coaching the spectacular student team. In the first half, the teachers were behind the students with a 46-38 score. Throughout the game the scores were close until the 4th quarter, when the students seemed to get a second wind. The game ended victoriously with a score of 91-63, in the students' favor.



Scott Spalding is a strong player on the student team.

Mr. Cobb is playing well.

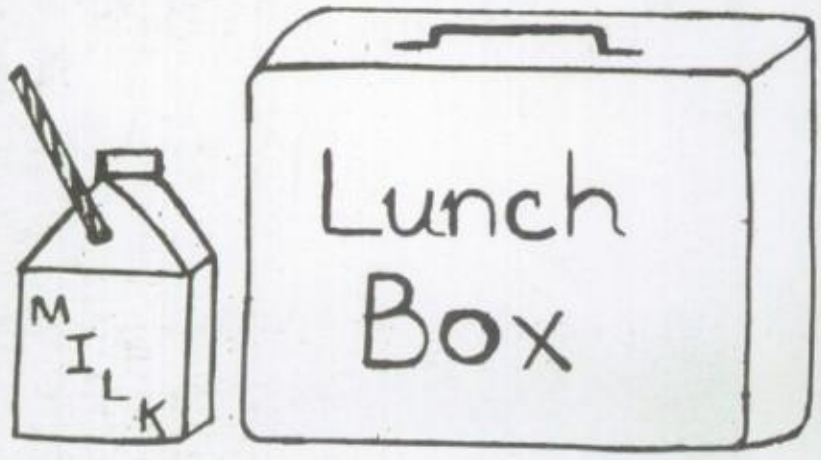
In the end everyone enjoyed the game.

Jon Trautwein attempts to shoot two of the students' 91 winning points.

Mr. Mooney made many points against the students.

There is a lot of competition between the players.

Lunch Time Activities



▲ Selling candygrams and food is a common sight in front of the cafeteria.

▲ Biff Wilson puts in his vote during lunch.

▲ A last view of Aberdeen square before it is torn up.

▲ Because of the reconstruction of Aberdeen Square, the tables are moved to the grass.

▲ A frisbee was one of the activities individuals were involved in.

▲ During lunch they try to see how many people can be shoved into a hula hoop.

What did you do during lunch? If you were one of the students that spent lunch on campus, you may have been involved in any of the activities that took place. During the 30 minute break between classes, there was time for eating and talk. A favorite activity was the class competition for tug-of-war.

Staff View

The faculty of Upland High School is not only the teachers, but the administration, custodians, Work Experience, counselors, cafeteria workers, and the list goes on.

The students of Upland High heard the **different views** of the staff on subjects like after-game dances, behavior at rallies, tardy procedure, and vandalism.

1980-81 was a year of gains and losses. New faculty members were welcomed and the departed staff was sadly missed. U.H.S. also gained yet another class of Freshmen and lost a graduating class of Seniors.

All in all, though, both the students and the faculty made it through the year, despite some of the **different views.**

Plaid

The newspaper staff of Upland High was a combination of people with many different interests and talents. Each contributed in his own way to the success of each issue of the Plaid and demonstrated responsibility and creativity throughout the school year. Fourteen issues of the Plaid were published, each new issue showing a marked improvement over the last. "Mrs. Smith and I had set certain goals at the beginning of the school year for the reform and improvement of the paper, and we have strived to achieve these," stated Noel Schneider, Editor-in-chief. "The paper's popularity has grown," remarked Plaid advisor Elizabeth Smith, "Not only because of the refinements, but also because we are handling issues that affect the students' lives. We no longer aim to only entertain our readers but to inform, educate, and incite our readers."

Missy Schilens

Leading the way through the school year was the 1980-81 Student Council. Headed by President Missy Schilens, Student Council helped with dances, rallies, assemblies, and sporting events. Student Council was also responsible for supervising student funds. Vice President, Kay Hiramine, and ASB advisor, Mrs. Ritter, expressed their views on the Student Council.

Kay — "We are one of the most unrecognized groups of students on campus. We do all the activities on campus, and without Student Council, this school would be very boring."

Mrs. Ritter — "This year's Student Council is one of the most active and responsible groups we've had. The reason for this is that everyone is involved and really works at his or her job all the time. The result for the students is more activities and participation."

Upland High's Local Curriculum Steering Committee, **LCSC**, consists of five high school students. This enthusiastic group helps to decide the courses to be offered each semester, with the help of the academic staff and advisor, Mr. Mooney. To be selected on this committee, one must write an essay stating why he or she would like to be chosen.

PTSA, Parent Teacher Student Association, is made up of hard working parents who spend many hours helping with school activities, on and off campus. Parents volunteered their time to tutor students, chaperon dances, and athletic games, help at elections during lunches, and assist at the annual Back-to-School Night. The president was Mrs. Marilyn Spears.

Ever wondered who works the lighs during a play, or who makes sure the music starts at the right time during a show? Well, these things are not automatic nor are they run by computer, for behind every curtain there lurks a group of people called, "THE STAGE CREW." These people literally run the show. They ensure the precise, systematic operation of the theatrical equipment and are a major contributor to the success of this year's school productions.

Treble Chorus is the beginning chorus at U.H.S. The singers are mainly Freshmen and Sophomores who enjoy singing and would like to inprove their voices. Under the direction of Mr. Barger, they are gaining experience with such styles of music as classical, modern, pop, and jazz. The chorus performs annually at the Y.H.S. Christmas and Spring Concerts.

Mr. Barger discusses a new theme song with chorus students.

Mascots Monica Cross and Heidi Skvarna.

Pep Commissioner, Amy Boucher.

A spirited view was taken by this year's entire Pep Squad. Pep Commissioner, Amy Boucher, led her gang of girls through hours of hard work and practice. Mascots, Heidi Skvarna and Monica Cross, played an important part in this year's squad. Both traditional and comic, the mascots contributed to Upland's school spirit.

Promoting school spirit was the goal of the 1980-81 Pep Squad. Songleaders, varsity yell leaders, bee yell leaders, and flag twirlers, all worked hard to make the rallies and sports events the best. Meeting with Pep Squad advisor, Mrs. Ritter, during third period, the girls made up routines and planned for upcoming events. The hard work paid off as the Pep Squad did a terrific job!

Dragon Attack

"I was walking to my home last night, when two trolls, that were lurking in the dark shadows of the trees, jumped me. I acquired a few injuries, but was able to snuff them out with ease." This may sound strange, but if you're a member of Dungeons and Dragons, this may just be routine.

Dungeons and Dragons meet during lunch throughout the year. At the meetings, club members improved their skills in the ever popular Dungeons and Dragons. Under the helpful advice of Mr. Wenrick and presidential powers of Mike Notron, the Club had a tremendous year.

Keys That Serve

Key Club is a service organization dedicated to the service of the school and community. They strove, to the best of their ability, to better both of these through dedicated service and involvement. Key Club, Kiwanis Educated Youth, year after year, upholds the strong ideals that the Kiwanis Club is noted for. Upland High's Key Club worked with children, especially in the elementary level. Activities and involvement are important to this club. The president is Kevin Tucker, and the advisor is Mr. Bandy.

Club Serves Needy

Keywanettes is a major service club. Their services benefit the school and the community. Some special events that the club did were attending the Kiwanis Club meetings every Tuesday, collect canned foods for the needy at X-mas, with the aid of the Kiwanis they helped at the senior citizens' Christmas party, and they helped at the special Olympics. They got their funds by having an egg sale, and collecting newspapers. From Jan. 12-17, Keywannettes held a week of activities. They held a membership drive, visited convalescent hospitals, and helped at Santa Claus Inc. The club's president is Kris Olinger and the advisor is Mr. Shireman.

What do you do on a Wednesday night? Ask any S-club member and her response will be "attend S-club meetings." S-club continued with their traditional activities. Heading the list included making placemats for convalescent homes, ushering for the West End Opera Association, making and selling candy canes, and helping out at registration. S-club members also set a new fad with tee shirts displaying the school's mascot. "They were fun to wear at our annual S-club retreat," commented one member. Under the leadership of Mrs. Quoss, advisor and Maggie Humann, club president, the club was able to enjoy both social and service projects. Summing up the year, Maggie Humann commented, "Being club president was hard work, but with all the support and enthusiasm from club members it made it a rewarding experience."

Many people are enjoying the Girls' League Backwards dance.

Girls' League is a club that includes eighth cabinet members which represent every girl in the school. The purpose of Girls' League is to give every girl at U.H.S. a chance to get involved. They do this by putting on various activities including the Mother/Daughter and Father/Daughter banquets, Backwards Week and the sales of certain treats. The money they make is put towards the school's welfare fund and scholarships. Mr. Meza and Wendy Evans worked together as advisor and president.

Take a Hike

The Hiking Club was full of enthusiastic students looking for adventure in the outdoors. The Hiking Club went on about eight hikes including hikes to Ontario Peak, Joshua Tree and a cross country ski trip. One hike to Sugarloaf was full of excitement when five students became lost for a majority of the hike. But at the end all turned out well. Eileen Figel was the club's president and Mr. Cal French was the advisor.

Future Business Leaders of America was a new and exciting club. It developed into an outstanding organization in its first year at U.H.S. With 25 members, and growing, Debbie Talbot, president, worked hard to establish a strong base from which future years will greatly benefit. Members participated in a variety of leadership conferences, field trips, social events, as well as school and community services. In addition, Upland was well-represented in business competitive events at the local and state levels. Ms. Malich led them through a very successful year as their dedicated advisor.

Ready on the Set

U.R.T.T. stands for the Upland Repertory Theatre Troupe. The club is made up of drama students in Mr. Hardin Brothers' 2nd period. The club is known for its outstanding drama productions. U.R.T.T. is full of unique and obscure talents. The main purpose of the club is to create a fun and enjoyable atmosphere while learning new dramatic techniques. U.R.T.T. would like to encourage more interested students to get involved in the Drama program. The president of the club is Lisa Alonso.

American Field Service deals with the foreign exchange program in high schools. Students can apply for a semester, summer or full year, and leave their homes to adventure abroad. The club finds homes for the exchange students who come to Upland. They also raised money to help U.H.S. students who went abroad. They had a White Tag Sale, along with other fund raisers. Universal Studios, Disneyland, and a number of other trips kept them busy throughout the year. A.F.S. Gives students the opportunity to visit a land of their dreams and to venture an experience in a new culture. The host families are very accomodating to the student. The club's president is Phil Orr and their advisor is Mr. Robertson.

Ethnic Awareness

Black Student Union, B.S.U., is a black awareness club. B.S.U. often gave college information to black students and helped to encourage them to further their education.

B.S.U. has had fund raisers to help get the club started. A mistletoe sale, a rose and carnation sale, and a popcorn sale were among their activities. B.S.U. had sponsored a concert with a precision band from Morning High School. Upland High's jazz band, and a B.S.U. dance were also featured. B.S.U. was off to a strong first year and they feel the years to come will be fulfilling and exciting. Bien Jolie King is president and Ms. Ruiz is advisor.

The Momo Society is Coming!!!

Charter member, Eilene Figel, introduces Momo mascot to the rest of the club.

The Momo Society is dedicated to preserving and upholding the Momoian way of life. This club was established as an exciting alternative to various superficial organizations.

Twice a month, on the new and full moons, Momos from all walks of life joined together for an uplifing experience. Some of the activities included the Momo Disneyland Marathon; the annual Momo Banquet, with its esteemed Momo of the year award; renovating run-down buildings with our house decorating committee; the Momo Bumper Boat Festival; and finally Momo Chapter Day.

The Momo Society was originated by its Senior Momo, Mr. Cal French, advisor. Criteria for membership includes a true showing of the Momo Inner Light (If you have to ask, you haven't got it.) The Empresses (presidents) were Jean Jensen, Leslie Lounsbury, and Sharon Hame.

The Momos stop to fill up their Momo mobile on their cross country trip to the Momo Chapter Day at St. Louis, MO.

Cranston Willies Banana Peel Good Time Band and Volunteer Fire Department #47 was originally formed to encourage participation in the ancient and honorable game of Go. Making school and the educational experience more enjoyable for all involved was their goal. The game of Go has become a lost art in the club, still the club is dedicated to having fun. Occasionally, they even do a good turn for the school. C.W.B.P.G.T.B.A.V.F.D. #47 is a non-exclusive organization which anyone can join. (So if you are non-exclusive, you too can join!) The club presidents were Dave Ciemiewicz, Greg Breit, and Lynn Bushor. The advisor is Alen Rhodes.

The Girls' Athletic Club's main purpose is to support girls' sports. G.A.C. members have attended many sporting events throughout the year. Although this club was new this year, it raised funds through Halloween Grams and operated concessions at basketball games.

The athletes of the Letterman's Club helped to support the athletic department at Upland High School. The club sponsored the Annual Donkey Basketball Game against the local Police Department. It was held on January 14, 1981. This year's President was Doug Robertson, and the advisor was the honorable Pete Raisbeck. The club's members are often seen in their lettermen's jackets of green and yellow. Sorry girls — this club is for boys only!

"The future graduates of '82, '83, '84."

Class of '82

The Junior Class was led by Pres. Dana Collins, Vice-Pres. Dave Palomo, Sec. Heather Miller, and Treas. George Demetrion; finding themselves as upper classmen and realizing that college was now only a year away, they began to take a "different view" of what U.H.S. had to offer academically, socially and athletically.

Academically it was prevalent that the majority of the Juniors started to take a more serious view of their required classes and organize their electives.

In athletics the Juniors were very influential by being highly represented on every varsity team in addition to supporting their teams from the sidelines.

Socially, the Juniors had a very successful year sponsoring everything from the Junior-Senior Prom to their float in the Homecoming Parade.

In general, the Class of '82 played a substantial role in leading the "Highlanders" through the year.

"EIGHTY-TWO" will lead you through!

BOATING

Daryl Misiewicz has spent the last four years boat racing with his uncle. Being the youngest of the twelve mates, he had an experience that he'll never forget. In August of 1980, seventeen-year old Daryl sailed in the Trans-Pacific race from San Francisco to Kauai (in Daryl's opinion, the most beautiful Hawaiian island). If it weren't for the misfortune of a broken rudder, they would have won; as it was, they came in fourth in class.

Rich Arnitz and Steve Hulan are caught at a loss for words when asked why they were out of class.

At the beginning of the year many Juniors "viewed" their future as a serious problem, but as the year went by they began to realize that their problems were no "different" from other students in the past; however, it was now their turn to make the decisions that could decide their future.

At the conclusion of the year the Class of '82 had upheld their tradition of being one of the most spirited and involved classes in Upland history, and many found themselves anticipating their quickly approaching Senior year as a chance to expand as individuals as well as their final chance to contribute to U.H.S. as a member of the Class of '82.

Class of '83

The Class of '83 had a very successful Sophomore year. Lead by class officers Pres. Jill Collins, Vice-pres. Anne Arnold, Sec. Autumn Givens, Treas. Cheryl Fujimoto and under the advisory of Mr. Gloss and Mrs. Murphy. They sponsored many successful fund raisers including "flower-grams" sent during Homecoming Week, nominations for class "superman" and sponsoring the "Sweethearts" dance. One goal of the officers was to keep the Sophomore class informed about activities (sports, dances, etc . . .). This goal was obtained by passing out a calander of each month's events to every Sophomore in their Biology classes. As a result the class of '83 became not only one of the best informed classes, but also one of the best represented classes throughout the year.

Class of '84

The Freshmen class officers led by President, Cilla Brionez; Vice-President, Michelle Weetman; Treasurer, Gina Sauceda; and Secretary, Kristen Wakefield found Upland High School a different view from Jr. High School.

The Freshmen class officers worked on getting the students involved in school activities. Many of this year's Freshmen were involved in the Band and Drill Team, including all different kinds of clubs and sports. The main goal of the officers was to promote school spirit for the class of '84.

Freshmen, Angela Jackson, has always enjoyed writing and has wanted to be the author of a creative book. A few years ago she decided to have a book published that she had started writing when she was in fifth grade. The book titled "Tales of a Teenage Slob" is the story of a fat girl who is unaccepted by everyone, but with the help of a friend, she loses weight and begins to accept **herself.** She then is accepted by others.

Using the book, "Writers Market" she wrote a manuscript. She sent it in to Harper and Row Company and it was published in February. Angela plans to be an English teacher someday and would like to write more in her spare time.

Chow Time

At U.H.S. the students take advantage of their lunch break to talk with friends about the days happenings. Many students use this time to relax before going on to the days activities. Studying for the big test is always a popular lunch time activity as well as last minute homework. There are always students playing frisbee and some students gather together to sing songs and play the guitar. Students can enjoy a variety of things from any one of the four food centers ranging from granola bars to burritos. As you can see, lunch time is "viewed" in many "different" ways.

The Upland Varsity Football Team went through the season gaining both strength and experience.

Under the guidance of Head Coach Hal Lefler and a highly qualified staff of assistants: Coach Bart Goldstein, Coach Marv Weetman, and Coach Don Stalwick; through whose continuing efforts the young team, which consisted mainly of Juniors with a scattering of Seniors and Sophomores, learned that "Highlanders never quit" and "Battles are lost in the same spirit in which they are won."

At the conclusion of the season, the team led by Captains Todd Allen and Dave Komendat, elected Aaron Molinar as Most Valuable Player; Brett Youngling as Best Lineman; Dave Komendat as Best Offensive Player; Miguel Rodriquez as Best Defensive Player; and Rene Knott as the team's Most Improved Player.

The Scots were also honored by having two players, Senior John Hammond and Junior Aaron Molinar, named to All-League First Team positions. Second Team honors were received by Seniors: Todd Allen, Dave Komendat, Brett Youngling, and Junior, Miguel Rodriquez. Also receiving honorable mention were Juniors: Chris Anspach, Ed Bushor, Rene Knott, Mike Leon, and Mike Sheridan.

BUT NOT ENOUGH

Upland's spectacular defense tracks an Eisenhower Eagle.

Team unity and strong determination are what make a good football team. Even through the disappointments of the season, the Fighting Highlanders kept up spirit on the sidelines and never surrendered their Upland pride. The 1980-81 Varsity Football Team proved that success wasn't measured by winning, but by hard work and good sportsmanship.

Upland had a very talented Freshmen team. The Freshmen outdid themselves throughout the season, coming out on top with a 9 and 1 record. Their biggest rival was Damien, who was also fighting for first place in the league. The Frosh team had many outstanding players, but they put their skills together and played as one unit. With a good offense and a defense that was never scored on, this team deserved the title Freshmen League Champions.

Scores Don't Tell the Whole Story

Despite setbacks including a slow start and many matches lost in the third game, the girls kept working hard and were rewarded with a four game winning streak towards the end of the season. Sharon Hame was voted most valuable, Lori Ingalls received the Coach's award, Kerri Hame was most improved, and Jodi Richardson was most inspirational.

Upland High School had a tremendously successful season in Varsity Cross Country. Leading the team throughout the season and to the Baseline League Championship, was Don Orr. He became League champion for the second straight year. His brother, Phil Orr, was third in the League finals. Phil was the only UHS runner to run in CIF for four consecutive years. John Shannon, who had no more than one opponent ahead of him in any dual meet, placed sixth in the League finals. Ken Fetters was the top freshman runner for UHS as he placed tenth in League competition. A good half-miler in track, Jeff Knudsen, placed sixteenth in the League finals. As a sophomore, Julian Walvoord was number four runner in CIF prelims. UHS has been League Champion for the thirteenth time in fourteen years.

Lowest Score Wins

U.H.S. starts off in a strong lead in the varsity race.

Running in the heat and over hills doesn't appeal to most people. These individuals saw it as a challenge.

Junior Varsity Cross Country required a lot of training and self-discipline. Practices sometimes ran up to three hours with team members sometimes running five miles.

The Alta Loma meet was the most grueling of the season. Upland ran hard and never gave up.

They pulled out an impressive 15 to 50 victory. This win added to their overall unblemished record of 5 wins and 0 losses.

Girls' Varsity Cross Country

The many hard hours of practice up and down Euclid Avenue paid off for the Girls' Cross Country Team. The team was rated number one in the Baseline League. Through outstanding efforts by Nancy Ikeda and Sylvia Gubler (tied for first) and Loretta Stone (second), in league, the team upheld this prestigious rating. Coach Hughes attributes this success to a "Start off fast, pick it up, kick" approach.

Nancy Ikeda and Sylvia Gubler tie for first in League finals.

CROSS COUNTRY

Hardwork, dedication and close friendships were the successful ingredients for the Junior Varsity Cross Country team. All meets were filled with excitement, and the team set the pace for a winning streak. The two girls teams combined in meets so as to ensure a varsity win.

Blood, Sweat and Baskets

Although they had only two returning lettermen, Gil Bonilla and Jon Trautwein, the Varsity Basketball team was determined to prove that experience isn't everything. Under Coach Trautwein they accomplished just that in what co-captains Jon Trautwein and Scott Spalding termed a very tough league. They used superior speed and strategy to stay in contention against their bigger, more experienced opponents.

The starting lineup fluctuated with every game but some of the players who started frequently were: Scott Spalding, Jon Trautwein, Gil Bonilla, Craig Cramer, Steve Gregory, Craig Jones, and Gregg Yaros.

The season was a successful one from the viewpoint of learning and experience. The guys gained experience working together and improved steadily throughout the season. Despite several disappointing losses in close games, team spirit and determination remained high and Upland's sportsmanship was by far the best in the league.

Talking about reaching for the stars! Steve Gregory jumps for the ball.

Characterized by their determination and teamwork, the J.V. Basketball team improved steadily throughout the season. The addition of Rick Gehringer and Tim Woline from the varsity bench gave the team depth. Frequent starters were: Rick Gehringer, Tyrone Knott, Dave Ponder, Mike Post, Brian Weatherford, and Tim Woline. Coach Cobb felt that it was a successful season as the team was in contention in all the league games and many players did very well.

The girls head for the bus before a tough game.

For such a young squad, Upland High School's first girls' soccer team had an overall successful season, placing first in the competitive Baseline League.

The highlight game of the season was a win against Claremont. Coach Dan Wobser claimed their success on the fact that the team played as a whole unit. With plenty of endurance, the girls kept the games filled with excitement. Keeping the ball down on the offensive attack was a tough job, but spectators saw plenty of it.

The many hard hours of practice in the Scots gym paid off for the Girls' Varsity and Junior Varsity Basketball teams, although not in wins but in team spirit. With a tough season in the rough Baseline League, the Highlanders were competitive in every contest. Their most challenging games coming from Alta Loma. Lisa Chestnut and Jodi Richardson promoted enthusiasm throughout the season. "The girls learned to play as a team and enjoyed practice. No one wanted to miss them." commented Coach Sandquist.

A WINNER NEVER QUITS

A

QUITTER NEVER WINS

Winning
It takes a little courage
and a little self-control, and
some grim determintion
if you want to reach a goal,
It takes a deal of striving,
and a firm and stern-set chin,
No matter what the battle
if you're really out to win,
There's no easy path to glory,
there's no rosy road to fame,
life, however we may view it,
is no simple little game;
but its prizes call for fighting,
for endurance and for grit,
for a rugged disposition and
a "don't-know-when-to-quit."
You must take a blow and give one,
you must risk and you must lose,
and expect that in the struggle
you will suffer from a bruise,
but you mustn't wince or falter,
if a task you once begin,
be a Lady and face the battle —
That's the only way to win.

Under new head coach, Barry Pryor, the 1981 Varsity Soccer Team had a very successful year. The team, led by captain Dean Wilson, faced an exceptionally tough schedule. The season began on a sullen note with a 0-1 loss to Claremont. However, the young and inexperienced team came on strong and began to shine throughout the season, including a 1-0 win over the fourth ranked Damien Spartans.

Some members of the squad based the Highlanders' success on the close relationship between Coach Pryor and his team. Many felt that they were able to relate on the same level, thus making the usually high competitive atmosphere less intense, and the opportunity to master the game itself more of a reality.

With the ball under control, Nick Skvarna blasts down the field.

The J.V. Team had a very impressive season, facing tough teams in all their league competitions. Under the guidance of Coach Noseworthy, they took one game at a time playing each to their fullest potential. As in the past, most of the emphasis for the J.V. squad is to prepare them for Varsity play, but the team viewed the season in a different way; to them the present season was taken just as seriously as those yet to come, and if their great determination is any indication of their ability then U.H.S. Soccer can look forward to much success on the Varsity level.

The U.H.S. Girls' Track Team, under the guidance of Coach Keebler and Coach Collins, were "off to a running start" when they defeated Walnut in their first meet of the season. Although it was a non-league meet, it added to the excitement of the season. Also adding to the season was a new event, the 330 low hurdles.

The team consisted mainly of under classmen, with a few seniors and juniors. They were expected to do well this year, placing high in league, leaving an intense focus on league competition.

RUNNERS TAKE YOUR MARKS....

With two successful coaching years behind him, Coach Lefevers was very impressed with the Junior Varsity squad. Track and Field seems to attract the many different athletes because of its variety. Coordination, endurance as well as determination were required of each track participant. The Junior Varsity team was considered the building block toward the championship varsity squad. The season was a very rigorous one for the J.V. team, starting their first meet with the Claremont Wolf Packs and struggling with the Ganesha Giants.

Although they had only twelve swimmers, the Varsity team more than made up for their size through strong performances. Some important contributors were: seniors Tregg Ries, Greg Arnold, and Paul Robertson, junior Kevin Ciemiewicz, and sophomores Mike Stelte and Jeff Kostoff. Overall, the season proved successful with many swimmers qualifying for CIF.

Despite that they were mostly first year swimmers, the Junior Varsity team had a good season. Characterized by their determination, they swam with the varsity in early morning practices. Through their efforts, many of them will be seen on the varsity squad next year.

With most of last year's swimmers returning, including four-year Varsity members Karen Kostoff, Stacey White, Sharon Hame, and Karla Ahn, the girls' Varsity team had a terrific season. This included a successful showing in CIF as they had two relay teams and many individual swimmers qualify.

The Junior Varsity team had a lot of depth and often members were moved up to Varsity for certain meets. The girls had fun but worked hard throughout the season and many say they'll swim again next year.

The 1981 Baseball team had a very accomplished season. The young squad led by new head coach Norm Rush, was easily recognized by their great determination and eagerness to play as well as their interminable dedication. As a result the Highlander's dedication did not go unrewarded.

Due to the long hours of practice and preparation for the season, the '81 squad developed the powerful hitting, strong pitching and consistent fielding that enabled them to proceed through the highly competitive Baseline League supporting a winning record. At the conclusion of first round play, Upland was only four games out of first place, and was expected to be strong contenders for a play-off berth.

The Highlanders warm up at the driving range before their match with Covina.

What Swingers!

Sim Wilson is at home on the range.

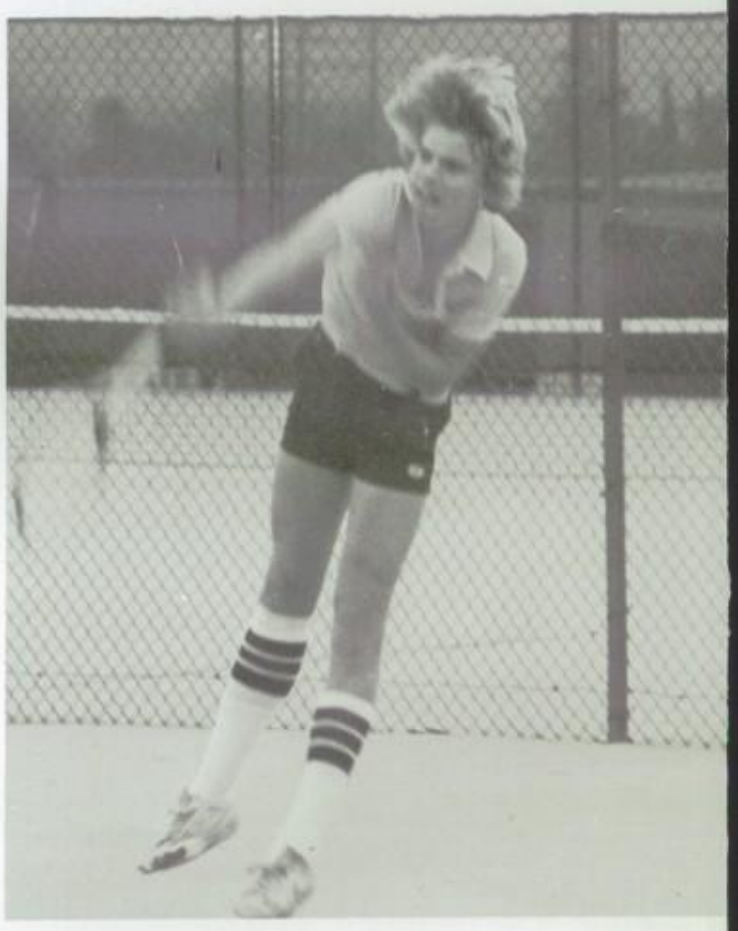
Before he tees off, Martin Toerner washes his golf ball.

The Varsity Tennis team was very successful in league competition. "We have an outstanding team," said Coach Trautwein. "We have more good players this year than ever before." Returning players this year were: Dan Bruno, Cliff Finley, Tom Galbraith, Dennis Herrick, Erik Palmer, Vic Skvarna, Scott Spalding, and Jim Staheli.

Front Row: Vic Skvarna, Robert Vandamme, Tom Galbraith, Srinath Samudrala, Chris Young, Bernard, Sente, Erik Palmer, Daryl Wingerd, Robert Tiller, Dennis Herrick, Coach Trautwein. Row Two: Darin Skaggs, Sidney Suarez, Mark McDermott, Jim Staheli, Scott Spalding, Cliff Finley, John Tiller, Dan Bruno.

Varsity Tennis

Bernard Sente and Cliff Finley team up to make an excellent pair in doubles.



Tom Galbraith puts a lot into his game.

Scott Spalding smashes one over the net.

BEST CARE ANYWHERE

Jon Marhoefer looks on while Sharon Petschow puts on the final support.

"You left your uniform where?"

Jon Marhoefer finishes a wrap.

Over 500 Highlanders competed in their respective sports throughout the year. Their hours of hard work and dedication always payed off; whether it was through the thrill of victory or just the experience of participation. These athletes could have never succeeded without the organization of athletic director Pete Raisbeck. He had the unending task of knowing who had to be where, when, why, with what and how come; at the same time keeping the best interest of the athletes in mind. Also at the foundation of the athletic department are Trainer Charley Martinez and his staff of student trainers: Jon Marhoefer, Sharon Petschow, and Ray King. Though they often put in more time than the athletes themselves; they always managed to maintain their "patients," understanding and most important their sense of humor, enabling them to cure everything from sore muscles to broken bones and often the almost fatal "damaged ego."

Ray King, Charlie Martinez, and Jon Marhoefer.

"Our Fearless Leader, Coach Raisbeck."

Valedictorians

Nancy Wu came to the U.S. six years ago from Taiwan, to explore knowledge and make new friends. She enjoys learning about people's cultural backgrounds and their traditions. She enjoys Science and Math and is enthusiastic about drawing and photography. She plans to attend Cornell University or U.C. San Diego in September pursuing a major in Computer Engineering and a minor in Business Administration. Her goals are to obtain a Master's Degree in Engineering and to fulfill her dreams of traveling around the world.

Todd Hutton's past four years at U.H.S. have given him the opportunity to take stimulating classes from challenging teachers. He plans to continue his education by working for a degree in Medicine and entering the field of psychiatry.

Steve Gerrchultz has been involved with A.F.S., Campus Life, Computer Club and his church youth group. Hobbies are restoring cars, motorcycle riding, golf, and tennis. He likes mathematics, science, and German. This fall he plans on attending University of California at San Diego, with a major in pre-med. His ultimate goal is to become a General Practitioner and move to a small town.

Salutatorians

Lance Siegel, Kim Vollers, Judy Heyboer, Jane Jaquess, Cindy Howell.

Lance Siegel was I.C.C. President and involved in numerous other groups at U.H.S. He is a life member of C.S.F. and an Eagle Scout. He enjoys backpacking, rebuilding engines, and writing poetry. Lance plans on going to U.C.L.A. and majoring in Pre-Med. He hopes to become an Ophthalmologist.

Kim Vollers has been involved with Student Council for three years. Sophomore Vice President, Junior Class Secretary, and Senior President were the offices that she held. She enjoys photography, sewing and reading. Kim plans on attending Scripps College in Claremont and majoring in Studio Arts.

Looking for a dancer on Broadway? You may be seeing the familiar face of **Judy Heyboer** on Broadway someday. Judy is a member of Concert Dance Theatre. She takes 5-6 classes a week in ballet, jazz, and tap. Pursuing a double-major in dance, Judy plans on attending U.C. Irvine. Besides dance, she is very interested in becoming a writer of fiction.

Laurel Jane Jaquess plans on attending Northwest Nazarene College in Idaho and majoring in music or business. Some of her hobbies include singing which she would like to get more involved in and possibly make a career out of. Jan's favorite subjects include math, english, business and of course, music.

In **Cindy Howell's** four years at U.H.S. she has been involved with many groups such as "S" Club. C.S.F., and the Local Curriculum Steering Committee. She enjoys singing and collecting foreign coins. Her favorite subjects include math and accounting. She plans on majoring in Business and Computer Science and eventually becoming an accountant.

All the quad packs, copy, captions, and pictures have been turned in. We are swamped with relief, joy, and most of all pride. We have fond memories of our deadline days in room 92. As editors, we have been able to view the experience our staff has gained and watch the delight as they turned in their finished pages. We have enjoyed working with each and everyone of our staff members.

In this final note, we would like to express our deepest thanks to those who made our deadline a little easier, *Mr. Cole,* Advisor; *Mr. McCormick,* Advisor; *Jane Parmer,* Taylor Representative; *Sanford Studios; Rich Pumerantz, Hellene Biane, Randy Hatanaka, Amy Ruggles, Tony Degruccio, Laura Kimrey,* free-lance photographers; our own photographers; and most of all our staff.

The loss of Mr. Cole has effected us all very deeply. We have put this book together in his memory to present to you, the Student Body of 1981.
Sincerely,

Mary J. Borgia

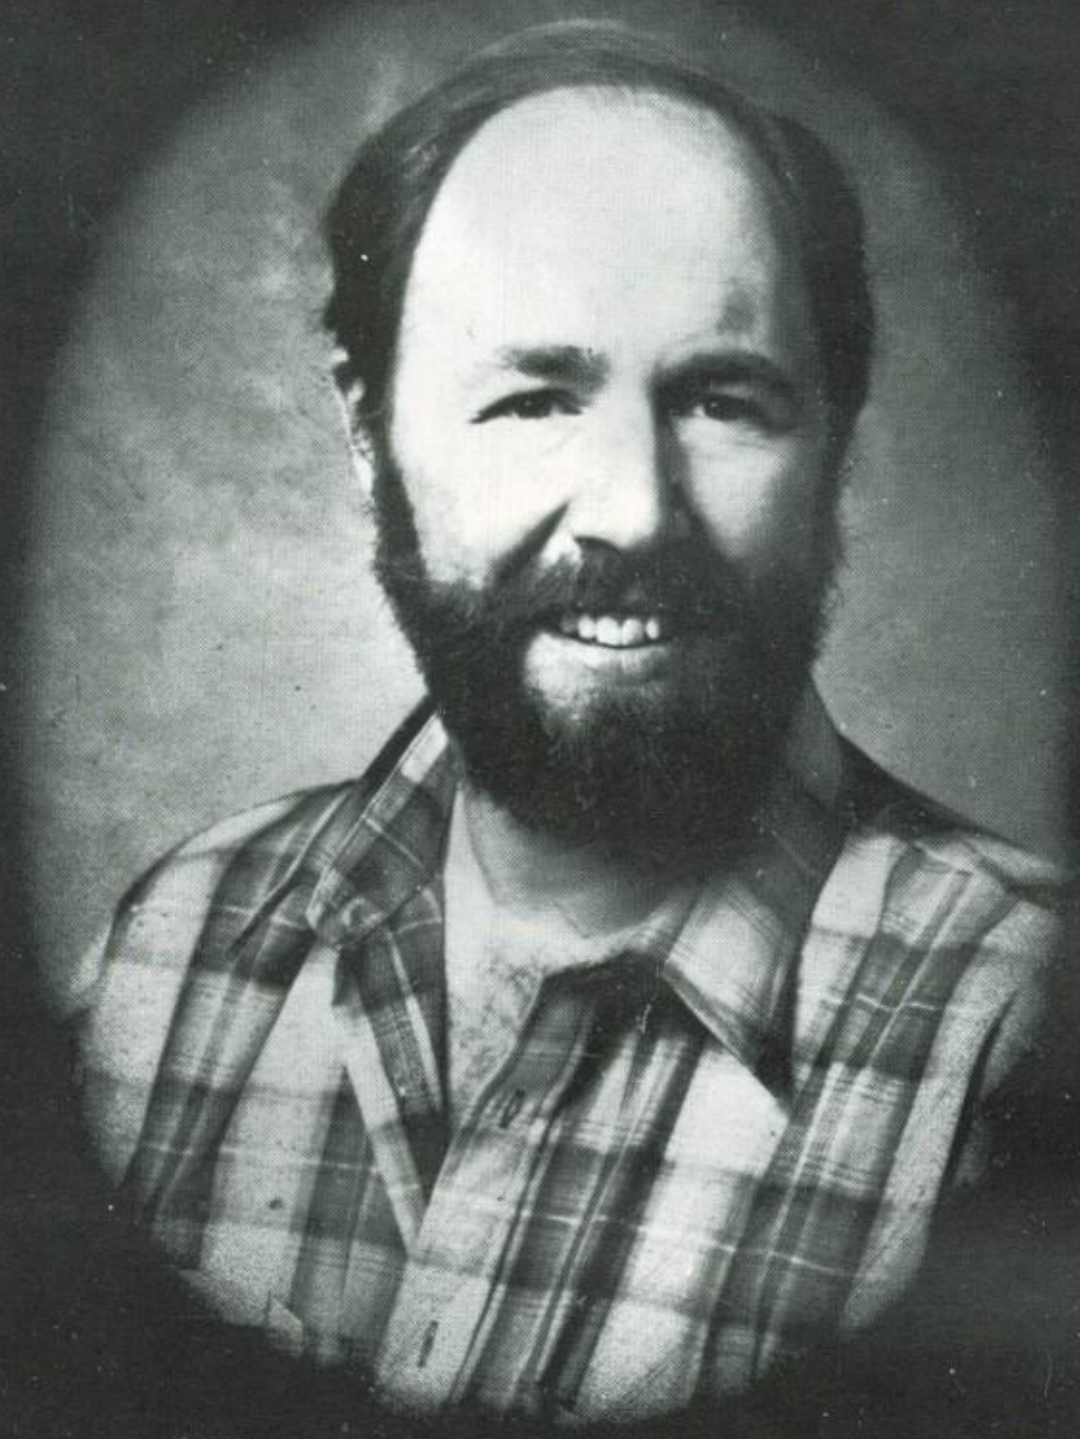
He was our teacher and our friend.
He taught us to think and to be creative.
Through both good times and bad, Mr. Cole
was always there with us. Although we only
had the pleasure of working with him for a short
time, it was a time we will never forget.
To Mr. Cole we proudly dedicate this yearbook.
HIELAN STAFF

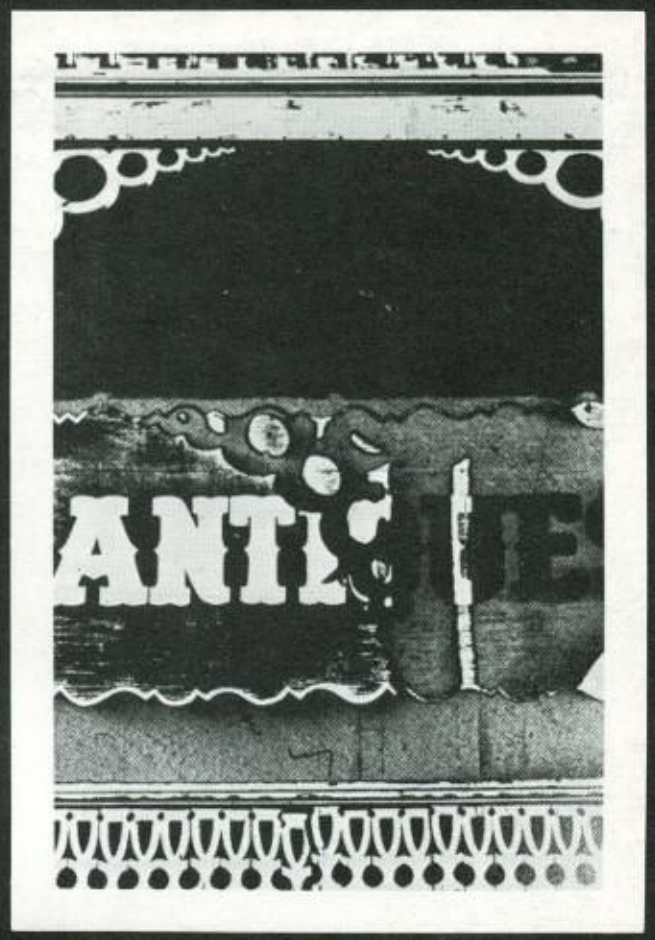


1939-1981

One of Mr. Cole's favorite award-winning photographs was this one of a tree with a reticulated background.

"He taught all of us to view the world through the eyes of the camera."

Janet P. Wright
Principal



Another photograph enjoyed immensely was this one entitled "Antique, Antiques."

"Mr. Cole taught me to see and appreciate the beauty which is around us. Through photography, he also taught me to express my own interpretation of art and share it with others. Mr. Cole opened the door of exploration and expression and continually encouraged new ideas. He will leave a life-long impression on many people."

Jody Forter
Student

Mr. Cole enjoys a loving moment with his son, David.

"I was proud to call him my friend.
I was honored he called me his friend."

You are
all
that you
can
be
Go on and
be it.

Our memories of yesterday
will last a lifetime,
We'll take the best, forget the rest
and someday we'll find,
These are the best of times.

On the road of experience
I'm trying to find
my own way,
Sometimes I wish that
I could fly away.
When I think
that I'm moving
Suddenly things
stand still,
I'm afraid 'cause I think
they always will.
All alone in the universe
Sometimes that's
how it seems,
I get lost in the
sadness and the screams.
Then I look in the center
Suddenly
everything's clear,
I find myself in the
sunshine and my dreams.

Sara,
I saw you a lot than as St. Joe's.
this year
more past
the as
much Spanish
we'll next
summer
around.

You
Almost
I did
was at
to really
have a
get
Have
I'll
see
care.
Always,
Love
Take
and
year.

To sail on a dream
on a crystal clear ocean
To ride on the crest
of the wild raging storm,
To work in the servie
of life and the living,
In search of the answers
to questions unknown,
To be part of the movement
and part of the growing,
Part of the beginning
to understand.

We used to laugh,
We used to cry,
We used to bow our heads then
Wonder why.
But now it's gone,
I guess we'll carry on,
And make the best of what
it's left to us.

Sam,
We miss you down
there alot. Hope
you are doing
fine and not
working too
much. Hope
you get
plenty of
weed. Take
care of
yourself
and be
safe.
